BARTLETT PARK DISTRICT PRESCHOOL

"where play and learning go hand in hand"

Bartlett Park District Preschool

Preschool is a DCFS licensed program that serves children from ages three to five. This recreational program is a play based early childhood educational program. We strongly believe in meeting the needs of the whole child and provide a curriculum that will prepare your child for later school success. Our goal is to plan daily experiences that will help the child develop physically, emotionally, socially and intellectually in a fun and safe environment. All classrooms are located in the Preschool Wing of Bartlett Community Center. We have a private, secure preschool playground and use the indoor gymnasium for large motor skill development. We welcome you and your child to visit our school. You can tour the facility, meet the teachers, ask questions and preview the classes. Tours are by appointment only. Please contact the Preschool Coordinator at 630-540-4853. Registration is open for the 2021-2022 school year. Visit bartlettparks.org under Program menu, Preschool sub menu.

Broadway Brought To Bartlett Music Camp

Experience the excitement and sensation of Broadway without having to travel across the country to New York. Over the years, Chicago has become a sister city to NYC in that many shows come to town right before or after their debut on Broadway. Campers will learn about the process of putting together a Broadway musical. Participants will work together in small and large groups to prepare songs and dances to perform on an actual stage. They will work throughout the week to prepare a show for their families and friends on the final day of camp. They will also work in teams to write short skits that they will act out at this performance. This camp promises to be a great experience for anyone who loves to sing, dance and act, even if the only stage they have experienced is in their own living room. A camp T-shirt is guaranteed if registered by July 9. **(KM)**

Important Camp Information on Requirements, Refunds & Transfer Policies and Late Registration Information

Once you are registered visit our website at http://www.bartlettparks.org/programs/day-camp.asp to download camp specific information and camp required forms.

Cancellation and transfer requests will be considered only when a Refund Request/Transfer Form is received by the Registration Office 5 or more business days prior to the start of camp. A $5 administration fee per camp per day is charged for all approved refunds/transfers.

Transfer requests received with less than 5 business days' notice will be considered on a case by case basis. A $5 transfer fee per child/per transfer will apply to those approved.

All communications regarding refunds/transfers must be through the Recreation Manager and not through the camp counselors. All cancellation/refund/transfer requests must be submitted before the date you need to change. If you register for a specific day/week of camp you cannot request to change on or after that date. There will be no refunds or transfers approved for the final week or day of camp if cancellation requests are submitted outside of the normal cancellation policy.

The registration deadline is 7pm on Thursday before camp starts.

The deadline will be superseded if the maximum camp enrollment number is reached prior to the deadline. Late registrations are not guaranteed to participate in camp and will require the Recreation Managers approval. The decision will be made by 9am on the day of camp.

Day Camp Payment Plan Available

You do not need to pay for the entire summer at one time. We offer a monthly Electronic Fund Transfer (EFT) payment plan for camp registrations of $300 or more. Sign up early as camp fees are paid one month in advance of the starting date. The EFT is processed on the 15th of each month. Monthly payment amounts vary depending upon the camp(s) selected, number of children and weeks as well as the date the registration is submitted. There is a $3 monthly administrative fee. A $50 deposit per child per camp is required when registering and applied toward the balance. The EFT form is available at the Bartlett Community Center or online at bartlettparks.org under the registration menu, on the program/camp page, and on the nature center/camp page. **(MP)**

Waitlist

The best way to ensure your child's participation in camp programs is to register early. We try our best, but cannot always accommodate late registrations or waitlist participants. **Please note, if placed on a waitlist you will be notified via email if you're enrolled into the program.** If we are unable to enroll your child from our waitlist, you will receive a full refund.

Late Pick Up Policy

Parents/guardians will be required to pay a late pick up fee of $5 if they are 1-10 minutes late; after 10 minutes the fee will be $1 per minute until the child is picked up. The late fee is per child. The person picking up the camper will be asked to sign a late pick up slip and an invoice will be issued. Late fees are the responsibility of the parent/guardian, no matter who picks up the child. Please consider registering for After Camp Recreation if you are unsure you can pick up on time. After Camp Recreation requires advance registration. **(JH)**

All camps will abide by the Restore Illinois guidelines that are in place at the time.

Day Camp

Campers can enjoy camp 2 or 5 days per week. Your child will learn new games, participate in craft projects and meet new friends. On weather appropriate days, this camp will play water games or visit the pool when capacity allows*. This summer the field trips will come to us and will participate in "in-house" field trips. Depending on enrollment, camp may be split into two age groups for morning activities. All campers are swim tested and wrist banded appropriately (based on ability to swim one length of the pool). The buddy system is also used. Campers must pass swim test to use zip line and slides. A camp T-shirt is included. **(KM)**

The Bartlett Park District is proud to be a member of Northwest Special Recreation Association (NWSRA). Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program offerings including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs!

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at www.nwsra.org or at www.facebook.com/nwsra.

Special Accommodations: ADA Compliance

We ask individuals with special needs for inclusion into programs to notify us of their needs at least two weeks in advance. By informing us early, you are helping us to work toward a smooth inclusion for everyone's benefit.

AQUATIC FITNESS CLASSES

Why train in the water?

Water offers a resistance and buoyancy that cannot be experienced when doing regular ground-based exercises. The benefits of water exercise include lower blood pressure, increased bone density, stronger muscles, corrected body posture, pain relief, and weight loss. The calming effect of water on our bodies extends to our minds as well. Great for everyone but especially beneficial for those recovering from an injury, those seeking to lose weight, and older individuals.

Age: 14 through adult
Location: Splash Central at Bartlett Community Center

Aquafit

A low-impact cardiovascular workout for muscle toning and improved range of motion. Designed for all fitness levels. This class takes place in the shallow end of the pool. You do not have to be a swimmer to participate.

Water Walkers

Water Walkers is an easy way to strengthen your body. You can walk forwards, backwards and sideways using the natural resistance of the water which makes your muscles work harder to move forward. The water provides a natural buoyancy helping to reduce strain on your joints resulting in little to no impact. Brisk water walking is more strenuous than it initially looks and can provide an excellent aerobic workout, burning 300-500 calories per hour. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. Water weights and noodles are available to use. This program is not led by an instructor.

Deep Water Sculpt

Low-impact, full body resistance training using deep water movements. Participants must be comfortable in the deep water environment. Classes use water weights, swim belts, noodles, etc.

BARTLETT PARK DISTRICT SWIM ACADEMY

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the "watch me method", some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to "practice, practice, practice" and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (GG)

Registration/Scheduling Process

Due to the progressive nature of private voice/music lessons, all continuing students are given priority in class placement. Returning students must register by April 19 for the first session or May 31 for the second session to be given priority placement. Once returning students are placed in the schedule, the instructor contacts new students in the order in which they registered. New students will receive a call as soon as space becomes available in the schedule. The instructor does his best to accommodate all new students, but space is limited. Lessons begin the week of May 10 and June 21 and conclude during the week of June 19 and July 12. **(KM)**

Beginning and Intermediate Voice Lessons

All voice students will be taught how to warm up and maintain their voice. Beginning students will be taught how to match their voice against the piano, as well as how to use the high and low parts of their vocal range. Intermediate and advanced students will be taught how to breathe properly while singing, as well as how to control and strengthen their voice. If students are participating in a choir or theatre program, they are encouraged to bring their audition and concert or show music to their lessons to refine it. Students can also use their lessons to prepare songs for school talent shows or Open Mic Nights. Students work on a variety of genres of music depending on what they are wanting to do with their voice. Students are often accompanied on piano in lessons by the instructor. Students are also encouraged to search for and bring in accompaniment tracks for the songs they are going to prepare for their lessons. **(KM)**

Girls Fall Softball 2021 Registration

Girls Softball Registration Deadline: Friday, July 16 at 4pm

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship or carpool requests. Please do not list these on the registration form.

Guidelines and Important Information

1. **Player registration:** Players are registered by their age on December 31, 2020 for the 2021 season. For example: if a girl turns 13 on January 1, 2021, she will be considered 12U for the 2021 season. Players requesting to "play up" must receive the approval of the Recreation Manager. Submit your form and payment, along with your play up request form. You will be contacted at a later date with the determination. Registrations received after the registration deadline will be placed on a waitlist. Please note the following. Players placed on a waitlist are not guaranteed a placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun.

2. **Volunteer Coaches:** Volunteer coaches are needed. Please complete the section on the registration form and be sure to provide an e-mail address if you are interested. Coaches will choose their preferred practice days and times. Coaches' kids will automatically be placed on their team. Confirmation e-mails will be sent. Head and assistant coaches are required to attend the preseason coach's meeting. Should we receive more volunteers than are needed, while we greatly appreciate your offer, not everyone will be selected.

3. **Game cancellations:** Games cancelled due to inclement weather are not guaranteed to be made up, although we will make all efforts to reschedule.

4. **Uniform:** A sleeved jersey, socks, and visor are included with registration. Players should wear black, gray, or white pants and cleats/tennis shoes. To prevent injuries, jewelry cannot be worn during practices or games.

5. **Team Sports Cancellation Policy:** Cancellations requested after the registration deadline will be granted only if a replacement is found and registered. A $5 administrative cancellation fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.

6. **Games/Practices:** The 2021 season is scheduled to run end of August to the end of October depending on inclement weather with an 8 game season. Practice times and locations are determined by coaches and are typically 1-1.5 hours, one or two nights a week. Games are typically played on Saturdays although some weekday games may occur.

Fall Soccer League

Our soccer league has approximately 450 participants and provides an excellent opportunity for children of all ages and abilities (no experience necessary!) to stay fit, improve their motor skills, learn teamwork and have a great time. Grade-based teams ensure that players make new friends and play with their peers at all skill levels. Small rosters and playing small-sided games at the younger ages maximize playing time on the field and therefore increase player development. We are committed to providing the best soccer experience possible for your child by keeping up to date with changing State and National soccer standards. **(JH)**

Fall Soccer Registration

Fall Soccer Registration Deadline: Friday, June 4 at 4pm

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship or carpool requests. Please do not list these on the registration form.

1. **Player Registration:** To participate, complete, and submit the Sports Registration Form by the deadline. All registrations received by the deadline are guaranteed to play. Registrations received after the registration deadline will be placed on a waitlist and are not guaranteed placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun. Only a parent or legal guardian may register a child and sign the waiver. Registration is by grade level. Players are registered for the grade the player will be in that session. "Playing up" is not encouraged, but those requesting to do so must receive the approval of the Recreation Manager. Submit your registration form and payment with your request to "play up," and you will be contacted at a later date with a determination.

2. **Volunteer Coaches:** Please consider volunteering as a coach. Many coaches are needed to make this a great program! We provide equipment, training, and resources. Complete the bold section on the registration form, and be sure to provide an e-mail address. Sadly, if not enough coach volunteers, the program is forced to have large teams, reducing playing time or limiting the number of teams within the leagues.

3. **Game Cancellations:** Games are typically played on Saturdays, but occasional weeknight games may be scheduled. Fall 2021 game season is August 21 through October 16, depending on the weather. Games canceled due to inclement weather are not guaranteed to be made up.

4. **Team Sports Refund Policy:** Refunds requested after the registration deadline will be issued only if and when a replacement player is registered. A $5 administrative fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.

5. **Games:** Games are typically played on Saturdays, but occasional weeknight games may be scheduled. Fall 2021 game season is August 21 through October 16, depending on the weather. Games canceled due to inclement weather are not guaranteed to be made up. 3rd/4th Grade-7th/8th grade teams play in an intervillage league with surrounding communities up to 20 minutes away.

6. **Practices:** Practice fields are set to open in late July (weather pending). Practice times and locations are determined by coaches and are typically 1-1.5 hours, one or two nights a week.

7. **Jewelry:** No jewelry can be worn at any time (games or practices).

8. **Sportsmanship/Playing Time:** Good sportsmanship is promoted in this recreational program. All players will receive equal training and game time, whether they are novices or seasoned players.

9. **Questions:** For additional information, please call Josh (630) 540-4843 or jhandelsman@bartlettparks.org

All program and events will be modified as needed to meet the current Restore Illinois state guidelines. We will post these on our website and email to registered participants. Currently face masks are required in all facilities and where you cannot maintain 6 feet of social distance.

Bartlett Hawks Girls Travel Softball

If you love softball, competing, and becoming a better player, than the girls travel softball leagues are for you. It's a great opportunity to develop skills and strategy in a more structured and competitive environment than the in-house program. Fee to play is approximately $850 for each player, this may increase or decrease based on the number of tournaments and training that the coaches select. This includes uniforms, 2 outdoor practices at Koehler Fields or BCC fields each week (weather permitting), equipment usage, indoor winter training sessions, and participation in a minimum of 6 tournaments.

Practices will start at the end of August and run through early November (weather permitting). Teams will then have indoor winter training sessions until the fields open up on April 1st. Tournaments will usually begin in mid-May and run through the end of July, but the selected tournaments are at the coaches' discretion. Travel softball is a year round commitment from the end of August through July of the following year. Teams may roster between 10-15 players, but it's typically 12.

Games at home will typically be held at the Koehler Field Complex. Scheduling of games will be at the discretion of the coaches. Typically games are scheduled during the teams practice time, but there may be occasional weekend games scheduled. Tournaments will usually run from Friday afternoon through Sunday evening, depending how far the team advances in the tournament. Playing time is not equal and not guaranteed and is at the coaches' discretion.

Parents should register ahead of time, but do not need to pay the fee unless their child is selected to play. Coaches will contact the players that make the team. Coaches should email eeichholz@bartlettbarks.org if interested in forming a travel team. Attendance is encouraged on all tryout dates. **(EE)**

Payment: Players that are selected for the travel team have 2 options to pay for the season. 1.) Pay the full team fee by September 10th. 2.) Set up a monthly EFT with the Office Manager by September 10th. These are the only options and payment needs to be entered by September 15th to participate in any practices/games.

Location: Koehler Field Complex, 2245 Southwind Blvd.

Please check the Bartlett Park District website for tryout dates and times. Information will be posted by June 15th.

Bartlett Aquatic Center Reopening Plan Summer 2021

We are pleased to announce that we are planning to open Bartlett Aquatic Center this summer. Staff is busy working on operating plans for the pool that will ensure we comply with the Illinois Department of Public Health (IDPH) Swimming Facility Guidelines for Phase 4 of the Restore Illinois Plan. We are also working closely with the DuPage County Health Department to interpret the IDPH guidelines to ensure we provide a safe, healthy, and fun environment for our community and staff this summer. At this point, based on the current guidelines, we are planning the following:

- The pool will operate at a lower than normal capacity.
- Pool passes will not be sold.
- Pool access may require online advance registration for a specific time frame.
- Swim lessons will be held in Splash Central as usual. Registration is now available.
- Swim team information will be shared as soon as it is available.

Thanks for your patience as we continue to work towards opening Bartlett Aquatic Center. Check our website and follow us on social media for more information and updates.
