

Beginning Archery Program

In our beginning level class, you will learn the basics to successfully shooting archery. In this class everyone will be introduced to proper terminology and technique, range safety, equipment, and eye dominance. Students will enjoy a variety of items to shoot and fun activities to increase their experience. The final class will end with a friendly competition. **All archery equipment is provided; no compound bows allowed.**

Age: 10 through adult **Instructor:** Nature Center Staff **Required materials:** Closed-toe shoes

Intermediate Archery Program

In our intermediate level class students will begin to fine-tune their skills as an archer. All who have completed the BNC Beginner Level program, had a minimum of 1 year shooting, or have approval from the lead instructor, are welcome to join. In this class students will be utilizing different forms of targets, continued reinforcement on safety and technique, introduction to different sequenced shooting and more.

All archery equipment is provided; no compound bows allowed.
