

### Registration

To register online for Summer Nature Camps, please visit [www.bartlettparks.org](http://www.bartlettparks.org). Once you are registered, please go to [www.bartlettparks.org/naturecenter](http://www.bartlettparks.org/naturecenter) to download specific information and the Emergency/Information form, which you are required to bring on the first morning of camp. For any questions concerning Nature Camps, please call the Bartlett Nature Center at 847-608-3100, Option 2.

### Late Pick Up

Parents/guardians will be required to pay a late pick up fee of \$5 if they are 1-10 minutes late; after 10 minutes the fee will be \$1 per minute until the child is picked up. The late fee is per child. The person picking up the child will be handed a late pick up slip by the child's instructor. The slip has to be signed by the person picking up the child and an invoice will be issued with the fee to be paid. Late fees are the responsibility of the parent/guardian no matter who picks up the child.

### Cell Phones

The use of cell phones will only be allowed before or after leaving camp; phones should be kept in the camper's backpack. If there is an emergency, please notify the office and the camper will be located. The Bartlett Park District does not assume responsibility for lost, stolen, or broken items.

Held at the  
Bartlett Nature Center  
2054 W. Stearns Road  
James "Pate" Philip State Park  
847-608-3100, Option 2

A Facility of the Bartlett Park District

Come and join us for a week of fun! Add more adventure to your child's summer with these amazing mini camps. If you are already enrolled in our summer camps, your child will be taken right over to this camp. Or just sign up for these camps alone. Even if your child is in other summer camps, you will need to register for these camps additionally.

Please bring a water bottle.

## Taste of Adventure Nature Summer Camp Descriptions

### Gardening

Learn the basics of gardening and start a garden. We will design gardens for vegetables, wild flowers, and butterflies. You will get to take seeds home to plant in your own garden.

### Archery (8 years and up) [minimum 6 campers]

In this camp you will learn the eleven steps to archery success, including range set up, safety, equipment, proper technique, and dominant eye. You will also play archery games. All equipment is provided.

### Outdoor Skills

Each day we will learn a new skill to help us be comfortable in the great outdoors. We will learn how to use a pocket knife the safe way, how to navigate using clues in nature, how to make a fire, which plants have beneficial uses, and how to track animals. At the end of the week, you will be a skilled outdoors kid.

### Team Battle

Play games such a Ninja and Capture the Flag. The choice of games to play this week will be made on Monday by the campers, with instructor approval.

### Build It, Mine It, Craft It

Campers will learn more about their favorite game—Minecraft. Each day will have a new focus. Kids will learn how to design their ideas on paper and with Legos before trying it out in the game. **Required:** please bring a device that has Minecraft already installed.

### Photography

Have fun learning the basics of photography. We will teach you how to properly frame your subject, and how to adjust for lighting changes. We will also discuss ways to make your photos more creative. **Required:** device capable to taking pictures.

### DIY Crafting

Create awesome crafts using different mediums. Each day we will work with a different material, such as duct tape, canvas, wood, and other mediums. Get your creative minds flowing in this fun camp.

### STEM

STEM aims to foster inquiring minds, logical reasoning, and collaboration skills. Kids will have fun exploring and learning with our fun projects.

### Plant IQ

Plants are growing all around us. Can you identify a plant and know if it is good for us or bad? In this camp we will learn about plants in this area that you can eat or use for medicinal purposes. We will take some adventurous hikes to search out these incredible plants. Increase your outdoor IQ by joining us in this awesome camp.
