

Zombie

How well would you do in a zombie outbreak? In this camp each day you will learn the skills you need to survive in nature. You will even learn how to make your own bow and arrow. Then on Friday we will test your endurance and expertise with zombie vs. human games.

Join us and learn how to be master of your domain.

New! Superhuman

What would it be like to have super-hearing or super-strength? Learn about real superpowers in nature and explore what it would be like to have those powers, and more. Use this information on your quest to create your own superhuman! Challenge yourself by building your own character and discover how awesome you can be.

Hungry for Survival Games

Want to learn the skills Katniss used in the Hunger Games Trilogy? Or learn how to survive off the land? In this camp you will learn to identify plants that can save your life, build a shelter if you're stranded, and make fire for purifying water. On Friday we will bring in archery equipment and you will learn how to use a bow and arrow. At the end of the week all tributes will have the opportunity to compete in battle where there can only be one winner. May the odds be ever in your favor.

New! 9 ¾ Camp

Journey to the magical world of Harry Potter! As witches and wizards, you will learn what it takes to master magic and have lots of fun along the way! Once you are sorted into your Houses, we will spend the week building wands, brewing potions, learning spells, caring for magical creatures, playing Quidditch, and going on adventures. Magic and mystery await—so hop on your broomstick and let's go!

BNC Mash Up (Googly Gump)

What would you like to do in camp? Maybe it is a half day of archery then building swords. Or maybe you want to learn about survival in the woods. You and your fellow campers get to design the week's activities! Join us for a week of adventures.

CAMP DESCRIPTIONS

We Are Divergent

Based on the hit trilogy Divergent, campers will find out what faction they belong to. Each day will focus on one of the five factions. Become one with nature on the day we are Amity. Take risks and play challenging games when we are Dauntless. Be on your best behavior when we are Abnegation. Or be brutally honest when we play a mock trial as Candor. Maybe a day of intelligence will help you find your home at Erudite. Do you have what it takes to get through each faction? If so, then you might be one of the Divergent.

NEW! Battle for the Galaxy

The battle for the galaxy has returned! Campers will be recruited to the Rebellion, or join the Empire in this all out, epic brawl for control of the galaxy. Some will take the path of the Jedi, competing against others that turn to the dark side. Throughout the week, campers will build and train with lightsabers, and learn the ways of the force. Campers will also get the chance to watch clips from the original Star Wars trilogy. One day during the week, half of the day will be dedicated to watching the final movie in the trilogy.

Demigods - Half-bloods

Do you like the Percy Jackson books about demigods, mythological monsters, and gods of Mount Olympus? We will use Greek mythology to bring your weeklong adventure to life. Campers will pretend to face monsters that challenge your strength and smarts. There will be a Capture The Flag competition on Friday.

Gamers Group

Calling all board gamers, video gamers, and computer gamers. If you like to play Monopoly, Pokemon, or Super Smash Bros, then gamer's camp is the place for you! Spend an awesome week with campers who love to game, just like you. We will have tournaments, competitions, and tutorials, so come ready to learn and have a blast. Let's Play!

New! Maze Runner

Do you have what it take to survive the maze and find a lure for the flare? We will go through the trilogy of the Maze Runner. Campers will become the Gladers who need to escape. Create mazes and solve puzzles along the way. We will make our own Grievers, too! Come and join us to see how far we can get.
