### Individuals

If you are registering as an individual and do not have anyone you wish to play with, we will try and assign you to a foursome with participants of a similar age.

### Twosome & Foursomes Requests Only:

Participants may register with friends in either a twosome or foursome. We will try our best to place you with the friends you requested, but they must also have requested on their form to be with you. To help guarantee that you are with your friends, we suggest that everyone submit their completed forms at the same time stapled together. Threesomes make it impossible to combine groups into foursomes, therefore groups submitting requests for a threesome may be broken up to form foursomes, but we will try to keep your group together if possible.

List the names of up to one person to form your twosome or three people to form your foursome that you would like to have in your group.
