Tree/Bench Donation Program

"Someone's sitting in the shade today
Because someone planted a tree a long time ago."

Making A Difference

By sponsoring a bench or tree, you are giving back to your community and providing a living memorial to your loved one.

A bench provides a peaceful resting place and a tree's green foliage provides cool shade during the summer months. The various tree species also provide a colorful array of spring flowers and a warm display of oranges and yellows in the fall as well as a home for a variety of birds.

Lasting Recognition

A permanent memorial plaque will be placed with each tree or bench. The inscription may contain your name or the name you wish to honor and additional information of your choice.

Once you decide on a park location or golf course, our park staff will assist you with the tree that best suits that park. A mulched tree ring shall be placed around the base of each tree to further enhance the tree's welfare and aesthetic appearance.

*Trees will be planted generally in the Spring or Fall of each year to allow the best root growth depending upon the type of tree. Benches require a 4-6 week lead time from the date of the initial order to installation.
This may increase during winter months.*
