

Preschool Press

March 2017

Peggy Calabrese

Preschool Coordinator

Bartlett Park District

February just flew by! We had fun at our Valentine's Day Celebrations. The children enjoyed sharing Valentine's with their friends. This was a great opportunity to demonstrate kindness and thoughtfulness toward others.

Our Parent/Teacher Conferences went well. The teachers did a wonderful job preparing and scheduling for the event. Thank you!

SPORTS DAY!

We had a great time with All Star Sports! They do a terrific job showing the children the basics of soccer and football! Ask at the front desk for registration information and sign your child up for a class.

Classes come for their **Graduation time only**.

There will be **NO Afternoon Classes** on this day!!!!

Dentist

We had a great visit from McElroy Pediatric Dentistry, Ltd. They talked about snacks that are okay for your teeth and the ones that are not okay. The dentist did a great job showing the children the proper way to brush, how often and how to floss as well. They even brought out Daisy the Dragon to demonstrate. Keep those smiles clean and bright!

MARCH 17th St. Patrick's Day!

Wear your favorite green! Whether it be a shirt, shoes or socks! Wear something green!
