BOURBON TASTING

Bourbon is a type of American whiskey, a barrel-aged distilled spirit made primarily from corn. Bourbon has been distilled since the 18th century. The use of the term "bourbon" for the whiskey has been traced to the 1820s, and the term began to be used consistently in Kentucky in the 1870s. While bourbon may be made anywhere in the United States, it is strongly associated with the American South, and with Kentucky in particular. We will be learning the basics and tasting several outstanding bourbons as well as bourbon inspired/ paired hors d'oeuvres. **Reservation required at 630-540-4162.**

Quincy Street Distillery was born out of the Craft Distillery Heritage. Bringing classic distilling together with innovative flavours is the foundation for our business. Quincy Street Distillery creates historically inspired spirits based on classic and original formulas which result in unique expressions of taste. The distillery operates in a historic storefront in the very heart of beautiful Riverside, Illinois, one of the first planned suburban communities in the United States.
