

With the Restore Illinois Phase 4 Guidelines still in place we are happy to invite you back to a safe and controlled, socially distanced environment. The safety of our staff and members is our number one priority so we appreciate your understanding of the necessary modifications and your willingness to observe them. The following modifications continue to be in place.

- **LIFECENTER** hours of operation are:
 - Monday-Friday from 5:30am-9pm
 - Saturday from 7am-3:30pm
 - Sunday from 8am-2:45pm
- Face masks are required to enter the Bartlett Community Center and at the **LIFECENTER** front desk, but can be removed during your work out. Please wear your face mask when 6ft. social distancing is not possible and when you leave the facility.
- Monitor your health before coming to the facility. Do not come to work out if you are ill and/or have COVID-19 symptoms (other than existing allergies).
- Touchless check-in is available. Members self-scan membership cards at the counter and retain the card.
- Attendance is monitored to ensure we do not exceed our maximum number.
- Socially distanced floor decals and signage indicate where to stand in line, if in fact there is a line.
- Counter guards are in place at the front counter.
- Hand sanitizer is available at the front counter and throughout the facility. Frequent hand washing for 20 seconds is also encouraged.
- Lockers are available on a very limited basis. We encourage members to come dressed to work out to limit locker room usage. If you do require a locker they are socially distanced.
- Restrooms and showers are available. Towel service is not available.
- Equipment is spaced 6ft. apart so it can be fully utilized. Some equipment is identified as “not in use” to ensure social distancing.
- Members are asked to be diligent wiping down each piece of equipment.
- Cleaning, sanitizing, and disinfecting protocol is conducted by staff.
- The saunas are not available for use.
- Towel service is not available. Please bring your own towel.
- Kids Stop is not open.
- Racquetball and wallyball courts are available but on a limited basis with one hour scheduled between reservations. Please call 630-540-4848 to make a reservation.
- Water fountains are available to use for water bottle refilling only.
- Track use is limited to 2 lanes only.
- Group fitness classes have resumed indoors and participation is limited based on the size of the room.
 - Pre-registration is required and the schedule and registration form are posted on bartlett-parks.org
