Coaches will practice with their pod each week and then divide the players up on scrimmage days (Saturdays). Each player will receive a team jersey. Scrimmages will be self-officiated, no referees will be used for the winter season. It is recommended players wear black shorts with the jersey. All leagues practice 1 hour per week. All practices and scrimmages will be held at the Bartlett Community Center. Travel players are not permitted to play in the winter in-house leagues. ***Masks must be worn by players, coaches and spectators during both practices and scrimmages.**
