Guidelines for Preschool Registration Process

Preschool Program/ Eligibility:

This preschool program is a school year commitment, beginning September and ending in May. It is a play based program focusing to enhance social and emotional development. Through play, children will learn the importance of sharing, listening and cooperating with others. It is an excellent introduction to school.

All registrations require the child's birth certificate and deposit payment. Residents of Bartlett are required to show proof of residency.

When you submit your forms at the registration counter a packet of required preschool documents will be handed to you, and are due back completed and all together in the packet by May 1 or one week after registration.

Completing and submitting form: Number in order of preference ONLY classes your child can and will attend. Do not place a number next to a class that you do not desire or wish your child to attend. Use #1 as your most preferred and #2 as second and so on in a declining order. Complete and retain a copy for your records and reference. It is necessary that you read and agree to all policies as listed. Please do not assume that you will obtain your first class choice or even your second choice.

When you submit your forms at the registration counter a packet of required preschool documents will be handed to you, and are due back completed and all together in the packet by May 1.

Birth Certificates:

A certified copy of your child's birth certificate will need to be presented at the time of registration. Staff will make a duplicate of the certified copy and keep it on file. Hospital or Baptismal or other certificates are NOT accepted.

If you are unable to produce a certified copy of the child's birth certificate you may provide one of the following documents to show proof of the child's age and identity: passport, visa or other governmental documentation. An affidavit or notarized letter must accompany any of the above listed documents.

The Bartlett Park District Preschool Program is required by law to notify the Illinois State Police or the Bartlett Police Department if a certified copy of the child's birth certificate or other acceptable documents are not submitted within 30 days of registration. You will be notified in writing that we have reported the missing documents to the police. Once the police have been notified you will have 10 additional days to supply the required documents.

Failure to maintain the payment schedule you have chosen can result in forfeiture of your child's class space and fees paid.

Staff double-checks forms for residency, age eligibility, completeness, and appropriate deposit. If a form is found not to meet the required criteria that applicant will be removed from the registration process. At any time should the information be found to be falsified in any way, the registrant will be removed from the program with all fees forfeited. ***Registration is processed as received.***
