Camp Description

Inventor

Discover how inventive you can be through your own curiosity, imagination, and brainstorming. Come and see what you can create.

Treasure Explorers

One day we might be Indiana Jones, next day a pirate, and don't forget Lara Croft. Isn't it fun to find treasure? You will utilize your thinking caps to solve riddles and puzzles, go on scavenger hunts, read maps, and read clues, just to name a few adventures. Nature even holds its own treasures.

NEW! Topsy- Turvy

Time to wear your old clothes. You will be getting dirty and messy this week. We have heard through the grapevine that there might even be a food fight.

Games and Fun

Games are about problem solving, strategy, thinking, and having a good time. Come experience the world of games. You will be playing indoor and outdoor games. There will be teams and individual games.

Christmas in July

Christmas is the most wonderful time of the year and it is only 177 days away. Let's celebrate it in July. We will make Christmas crafts, sing songs, and play games.

Survival

This is a week of learning how to survive out in nature. Enjoy learning about first aid, fire starting, and shelter building just to name a few. Come and join the fun.

Hogwarts

Let's jump on the Hogwarts Express and see what house you will be sorted into: Gryffindor, Ravenclaw, Slytherin, or Hufflepuff. We will learn about Hogwarts, muggles, half breeds, and magical creatures. A week of magic awaits you!

NEW! Bartlett Olympics

The Olympics are coming to Bartlett. That's right, the Bartlett Nature Center Olympics. Test your speed, endurance, and team spirit. Become the best you can be.

NEW! Galaxy and Beyond

Explore galaxies from some of your favorite movies. Star Wars, Marvel, DC and more. Let's go and reach for the galaxies.

STEAM

Enjoy a week of STEAM. You never would think that problem solving, collaboration, experiments, and being creative would be so much fun.

Kaleidoscope of Fun

Just like a Kaleidoscope, this camp is always changing. We will recap different projects, experiments, and games that we have done throughout the summer. Enjoy the last week of camps with us and this never ending fun week.
