

NEW! Creative Storytelling Using Nature as You Muse

We all have a story in us-waiting to come out. This workshop will introduce you to various ways of constructing your stories, life experiences and journeys while using our natural world as the anchor. Explore practical techniques to stimulate your creativity and imagination. This hands-on gathering incorporates both written and verbal exercises. It may even improve memory skills. Please dress for the weather. No mixing of days. Sunday is a one-time workshop.

Age: 13 through adult
