### Before and After School Recreation

We are committed to providing a fun and safe recreational program for children. The program is structured to be relaxed and recreational to counterbalance the day's educational activities. Our qualified and caring staff is sensitive to meet the needs of our participants and their parents; Before and After School Recreation runs on all full days of school. Be sure to sign up early, as the program will be in jeopardy of canceling if we do not reach a minimum of 8 participants. Fees for the program are based on the cost of the whole program, not the days an individual attends. **(JH)**

**Save \$25 off the advertised price by registering early.** Register at least one week before school starts. For the Winter Session, register by December 28 to save.

**Payment Options:** We offer two options for our Before and After School Recreation program – full payment at the time of registration or Electronic Funds Transfer (EFT) from your credit card or checking account. EFT payments are processed on the 16th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend and the date the registration is received.

There is a \$3/per month administrative fee that will be charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form, submit a voided check or credit card information. Students work on a variety of genres of music depending on what they are wanting to do with their voice. Students are often accompanied on piano in lessons by the instructor. Bartlett Park District is proud to be a member of Northwest Special Recreation Association (NWSRA). Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program offerings including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs!

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at [www.nwsra.org](http://www.nwsra.org) or at [www.facebook.com/nwsra](http://www.facebook.com/nwsra).

**Special Accommodations: ADA Compliance**

We ask individuals with special needs for inclusion into programs to notify us of their needs at least two weeks in advance. This will allow us time to make sure that proper staffing, equipment, and facilities are in place for a successful and safe program. By informing us early, you are helping us to work toward a smooth inclusion for everyone's benefit.

# AQUATIC FITNESS CLASSES

## Why train in the water?

Water offers a resistance and buoyancy that cannot be experienced when doing regular ground-based exercises. The benefits of water exercise include lower blood pressure, increased bone density, stronger muscles, corrected body posture, pain relief, and weight loss. The calming effect of water on our bodies extends to our minds as well. Great for everyone but especially beneficial for those recovering from an injury, those seeking to lose weight, and older individuals.

**Age:** 14 through adult

**Location:** Splash Central at Bartlett Community Center

A low-impact cardiovascular workout for muscle toning and improved range of motion. Designed for all fitness levels. This class takes place in the shallow end of the pool. You do not have to be a swimmer to participate.

**Date** Jan.-March  
**Date** Please see group fitness class schedule available at bartlettsparks.org.

## Water Walkers

Water Walkers is an easy way to strengthen your body. You can walk forwards, backwards and sideways using the natural resistance of the water which makes your muscles work harder to move forward. The water provides a natural buoyancy helping to reduce strain on your joints resulting in little to no impact. Brisk water walking is more strenuous than it initially looks and can provide an excellent aerobic workout, burning 300-500 calories per hour. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. Water weights and noodles are available to use. This program is not led by an instructor.

**Date** Jan.-March  
**Day** Tu  
**Time** 10:30am-12noon

## Deep Water Sculpt

Low-impact, full body resistance training using deep water movements. Participants must be comfortable in the deep water environment. Classes use water weights, swim belts, noodles, etc.

## Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (GG)

**Registration/Brochure Waiver & Release**

**IMPORTANT INFORMATION**

The Bartlett Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bartlett Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the below listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

**WARNING OF RISK**

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Bartlett Park District to guarantee absolute safety.

**WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK**

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these programs (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against the Bartlett Park District, including its officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
