The Park District may also deny an application for permit on any of the following grounds:
 1. The application for permit (including any required attachments and submissions) is not fully completed and executed;

6. The use or activity intended by the applicant would conflict with previously planned programs organized and conducted by the Park District and previously scheduled for the same time and place;
7. The proposed use or activity is prohibited by or inconsistent with the classifications and uses of the park or part thereof designated pursuant to section 7.10.31.10 above;
8. The use or activity intended by the applicant would present an unreasonable danger to the health or safety of the applicant, or other users of the park, or Park District employees, or of the public;

7.10.36.10. Review by Executive Director

- A. Any applicant who is denied a permit or denied a request for a waiver of user fee, security deposit, or certificate of insurance, or a permittee who has had all or a portion of its security deposit retained because it was assessed damages or a fine pursuant to this Ordinance may, within seven (7) days of the service of notice of such determination, file a written appeal from such determination with the Executive Director;

- B. The Executive Director shall have seven (7) days from the date on which the appeal was received in which to respond to the appeal;
- C. Such notice shall be deemed served upon the applicant or permittee when it is personally delivered or when it is sent by mail or e-mail, to the name and address set forth on the application for permit;

7.10.36.30 Waiver of Requirements

Any requirements for a user fee, security deposits, or certificate of insurance shall be waived by the Executive Director, upon the advice and consent of the Park District attorney, if the activity is protected by the First Amendment of the United States Constitution and the requirement would be so financially burdensome that it would preclude the applicant from using Park District property for the proposed activity. Fees for equipment and services shall not be waived pursuant to this subsection. Application for a waiver of a user fee, security deposit, or certificate of insurance shall be made on a form prescribed by the Park District attorney and must include an affidavit by the applicant and sufficient financial information about the applicant to enable the Park District attorney to determine whether the requirement(s) would be so financially burdensome that it would preclude the applicant from using Park District property for the proposed activity. If it appears that the applicant does not have sufficient funds to satisfy the user fee requirement prior to the proposed event, but that the applicant intends to raise sufficient funds at the event, the Park District attorney shall require the applicant to pay such user fee out of the proceeds of the proposed event. If no written denial is issued within fourteen (14) days of the date on which the application for such waiver is fully completed, executed and filed with the Park District attorney, the waiver request shall be deemed approved, contingent upon the applicant complying with all other permit requirements. Denials of requests for such waivers shall be subject to the appeal procedures contained in Section 7.10.36 above.

7.10.37 Fines

The violation by a permittee of the terms of their permit or the laws and regulations of the Park District shall subject the permittee to a civil fine of not less than \$50, but not to exceed \$500. Each day that a violation continues shall be deemed a separate violation. Such fines may be assessed against any security deposit held by the Park District on behalf of the permittee, pursuant to Section 7.10.34.40, above. Any assessment of fines in excess of any security deposit shall be subject to the procedures contained in Section 7.10.36, above.

7.10.38 Severability

If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of this Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The Park District reserves the power to amend or repeal this Ordinance at any time, and all rights, privileges and immunities conferred in this chapter or by acts done pursuant hereto shall exist subject to such power.
