

JOIN OUR

Parks for Pollinators BIOBLITZ

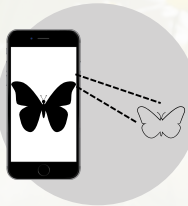

September 1-30, 2022

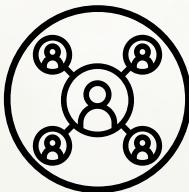

Download the iNaturalist app or visit [inaturalist.org](https://www.inaturalist.org) and follow the steps to create an account

Join the **Parks4Pollinators Bartlett Park District 2022** project

Record your observations of pollinators (bees, butterflies, bats, etc.) and plants by taking a photo on your mobile device or uploading a photo to your account. Observations can be made anywhere within the Village of Bartlett.

Share your findings with the **Parks4Pollinators Bartlett Park District 2022** project and connect with other naturalists in our community!
