Giving Thanks!

This is a great time of year to talk to our children about the importance of *giving thanks* for family and friends. Teaching children to say "thank you" for a *kind act* is just the beginning. *Being kind* to others and *appreciating the kindness* of others are great lessons to instill at a young age. The best way to teach these lessons is by setting good examples and modeling behavior for our children. We are going to be collecting dry foods and supplies for the Hanover Township Food Pantry this month as community service project. Please bring in one item (or more if you like) to help support this generous cause for our community. A box will be placed in the entry way for deposit. Last day to drop off Friday Nov. 19th.
