December 2022

This past month just flew by! Our Election winner was Bruce the Shark. We had Picture Day. We made Thanksgiving projects in class as well as wrote “thankful letters” to display in the exit foyer for all to see. It reminds us all how thankful we are! We also collected lots of items as our community service project for the Hanover Township Food Pantry. We had fun wearing our PJs on Pajama Day too! We all gathered together to watch a short movie, then went to the gym for fun activities. We had an obstacle course and balanced on a beam, used the parachute, played toss across, and even went ice-skating (pretend)! Lots of fun for all!

Changing Weather!

Please dress children appropriately for the weather. (boots, coats, hats, mittens) Teachers will try to get children outside periodically to experience the winter weather and get some fresh air.
