HAPPY NEW YEAR!!

We were very busy in the month of December. The children had lots of projects they completed for the holidays and explored different ways children celebrate in their family. We had our Winter Holiday Concerts performed by our preschool classes! What a wonderful job the children did! We are all so proud of them! They worked very hard for several weeks to give you a memorable performance. Our hearts are warmed by the heartfelt touching comments from several family members of how much it meant to them personally to continue our tradition and all that our teachers do for the children.

Conferences are **ONLY** given to 4 year old and Pre-K classes. 3 year old families will receive an evaluation from your child's teacher to show how they have progressed during the school year. Any questions or concerns you might have about your child can always be discussed with your teachers anytime.
