REGISTRATION/BROCHURE WAIVER & RELEASE

IMPORTANT INFORMATION
 The Bartlett Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bartlett Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK
 Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Bartlett Park District, including its officials, agents, volunteers and employees.

WARNING OF RISK
 Swimming is intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including drowning. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming is hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool, inadequate supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slip and falls on the deck or within the locker facility, chemical exposure and all other circumstances inherent to the sport of swimming. In this regard, it must be recognized that it is impossible for the Bartlett Park District to guarantee absolute safety.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
