Before and After School Recreation

We are committed to providing a fun and safe recreational program for children. The program is structured to be relaxed and recreational to counterbalance the day’s educational activities. Our qualified and caring staff is sensitive to meeting the needs of our participants and their parents; Before and After School Recreation runs on all full days of school. Fees for the program are based on the cost of the whole program, not the days an individual attends. **(AW)**

Save \$25 off the advertised price by registering early. Register at least one week before school starts. For the Fall session, register by Aug. 7 and Jan. 1 for the Winter session to save!

Payment Options: We offer two options for our Before and After School Recreation program - full payment at the time of registration or Electronic Funds Transfer (EFT) from your credit card or checking account. EFT payments are processed on the 16th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend and the registration date.

There is a \$3/per month administrative fee charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form, submit a voided check or credit card information, and include the processing fee and your deposit. To be involved in the month’s EFT process, registrations must be received before the 10th of the month. **(MP)**

Zumba

Grooving to the beats of salsa, flamenco, and merengue music feels more like a dance party than a workout, which is exactly what makes Zumba so popular. The Latin-inspired dance workout is one of the most popular group exercise classes in the world. The high-energy classes are set to upbeat music and feature choreographed dance numbers that you might see in a nightclub. You don't need to be a great dancer to feel welcome in a Zumba class. With the tag line, "Ditch the Workout, Join the Party," the classes emphasize moving to the music and having a good time, no rhythm required. A mix of low-intensity and high-intensity moves for an interval-style, calorie-burning dance workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility.

*Zumba is part of our group fitness offering and free to Elite Members

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at www.nwsra.org or at www.facebook.com/nwsra.

Feeling Frozen in Life? Hints from Frosty the Snowman Lab-Life Coaching for Kids Lab

With the anticipation of returning to school after the holidays, along with general life stressors, kids will relax and "defrost" as they learn up to 125 ways to manage worries. Much like when Frosty realized the sun was getting hot and he had to strategize, we will learn to hear our personal warnings "sirens" too. It is always best to thumpity-thump away before our stressors go from onset to peak. Class will culminate with a celebration of our new skills by making a batch of homemade science snow that kids can keep. We will also enjoy designing a Frosty the Snowman treat with food coloring pens. **(CB)**

Tom Walsh has been teaching springboard diving with the Bartlett Park District since 2010. He has been the springboard diving coach for South Elgin high school since 2014 for both boys and girls. Introduction to Springboard Diving

Students will learn basic fundamentals and springboard diving techniques. Divers will learn the 5-step approach, how to ride the board up and do a head-first dive. Divers will also learn how to do a back dive with a push. In order to advance to the Intermediate level a diver must show a successful head first dive with the 5-step approach and riding the board. Additionally, the diver must show a back dive with a push without assistance. **(LC)**

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the "watch me method", some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to "practice, practice, practice" and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

AS A LIFELONG SKILL

SAFETY ALWAYS A PRIORITY

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck, space permitting, on the first and last day of class. To create the best environment for learning parents, guardians, and spectators must remain in the bleacher area for all other classes.

Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to the registration office five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. These forms are available at the registration office within BCC, or on our website. All requests will be date-stamped and processed as received.

No refunds or make-ups can be given for missed or forgotten classes.
