

COMMUNITY SURVEY ALERT

The Bartlett Park District is conducting a community-wide survey of residents to help us continue to meet our residents' evolving needs.

We have selected **aQity Research & Insights** (an independent research firm) to conduct this survey, which will be sent to a random selection of households in the next couple weeks.

If you receive the survey invitation in the mail, please complete it as soon as possible; your feedback will help us better serve your needs through our parks, facilities, and programs!

If your household is not one of those randomly selected, you will still have an opportunity to share your opinions once the random sample survey is complete. Simply check back on the District website for a survey link in a few weeks.
