Happy New Year

UPCOMING EVENTS

We were very busy in the month of December. The children had lots of projects they completed for the holidays and explored different ways children celebrate in their family. We had our Winter Holiday Concerts performed by our Preschool classes! What wonderful performances! We are so proud of them! They worked very hard for several weeks to give you a memorable experience. Our hearts are warmed by the many heartfelt, touching comments from family members of how much it meant to them personally to continue our tradition and all that our teachers do for the children.
