Coordinator Corner

This past month just flew by! We made Thanksgiving projects in class as well as wrote “thankful” letters to display in the exit foyer for all to see. It reminds us all how thankful and lucky we are!

We also collected lots of items for our community service project for the **Hanover Township Food Pantry.**

We had an animal encounter with the **Nature Center** too.

Reminders

Changing Weather! Please dress children appropriately for the weather (boots, coats, hats, mittens). Teachers will try to get children outside periodically wind chill permitting to experience the winter weather and get some fresh air.
