

Tis The Season For Spreading Joy At The Bartlett Nature Center

New this year, we're thrilled to introduce
the WISHmas Tree in our lobby!

As we embrace the spirit of giving, we invite our
visitors to join us in making the holiday season
special for our animals.

Collecting gifts through January 31, 2024.

How it works:

1. Visitors select a tag.
2. Purchase a corresponding gift.
3. Deliver with care.
4. Write your information on the tag.
5. Leave your beautiful gift under our tree during business hours.

Thank you everyone in advance for their generosity to help make the
Holiday Season special and supporting the Bartlett Nature Center.
The community's generosity not only brings smiles to our animal
friends but also contributes to the community spirit that makes
the holiday season truly special.

Bartlett Nature Center • 2054 W. Stearns Road • Bartlett, IL 60103 • 847-608-3120
