60 YEARS OF CREATING FUN!

On January 18, 2024 the Bartlett Park District will celebrate its 60th year anniversary! During 2024 we will be hosting free activities and events throughout the year.

1997: Arctic Open Golf Tournament

We think each decade has brought about amazing changes and we couldn't be prouder. A historical timeline will be unveiled in the Bartlett Community Center to highlight significant events and share where we started, how we have grown, and where we are going.

1999: Bartlett's Biggest Game of Twister

We invite you to share your experiences, photos, and memories through the years for a Facebook reel highlighting the park district's 60 year history. Instructions for how and where to submit information can be found on our website at bartlett-parks.org

1999: Ground Breaking Bartlett Community Center

Thank you for embracing, supporting, and participating in recreational opportunities throughout the last 60 years. We are looking forward to continuing to create fun.

Snow Kids Introduction to Skiing for Young Children

The main goal for younger children is for them to get used to being on skis. Through play and simple games they learn basic ski skills that may be built upon in their future skiing. Children at this age have a relatively short attention span so each game is based on one skill with the intention of keeping the children interested in skiing and not overwhelmed by the experience. **The slope ticket, lesson, rental of equipment and helmet are included for each day. We are committed to providing a fun and safe recreational program for children. The program is structured to be relaxed and recreational to counterbalance the day's educational activities. Our qualified and caring staff is sensitive to meeting the needs of our participants and their parents; Before and After School Recreation runs on all full days of school. Fees for the program are based on the cost of the whole program, not the days an individual attends. **(AW)**

Save \$25 off the advertised price by registering early. Register at least one week before school starts. Register by January 2 to save.

Payment Options: We offer two options for our Before and After School Recreation program – full payment at the time of registration or Electronic Funds Transfer (EFT) from your credit card or checking account. EFT payments are processed on the 16th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend and the registration date.

There is a \$3/per month administrative fee charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form, submit a voided check or credit card information, and include your deposit. To be involved in the month's EFT process, registrations must be received before the 10th of the month. **(MP)**

Zumba

Grooving to the beats of salsa, flamenco, and merengue music feels more like a dance party than a workout, which is exactly what makes Zumba so popular. The Latin-inspired dance workout is one of the most popular group exercise classes in the world. The high-energy classes are set to upbeat music and feature choreographed dance numbers that you might see in a nightclub. You don't need to be a great dancer to feel welcome in a Zumba class. With the tag line, "Ditch the Workout, Join the Party," the classes emphasize moving to the music and having a good time, no rhythm required. A mix of low-intensity and high-intensity moves for an interval-style, calorie-burning dance workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility.

Soccer Registration Guidelines & Important Information

Spring Soccer Registration Deadline:
Friday, February 16 at 6pm

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship, or carpool requests. Please do not list these on the registration form.

- 1. Player Registration:** To participate, complete, and submit the Sports Registration Form on page 33 by Friday, February 16 at 6pm. All registrations received by the deadline are guaranteed to play. Registrations received after the registration deadline will be placed on a waitlist and are not guaranteed placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun. Only a parent or legal guardian may register a child and sign the waiver. Registration is by grade level. Register for the grade the player will be in that season. "Playing up" is not encouraged, but those requesting to do so must receive the approval of the Recreation Manager. Submit your registration form and payment with your request to "play up," and you will be contacted at a later date with a determination.
- 2. Volunteer Coaches:** Please consider volunteering as a coach. Many coaches are needed to make this a great program. We provide equipment, training, and resources. Complete the bold section on the registration form, and be sure to provide an e-mail address. Unfortunately, if not enough coach volunteers, the program is forced to have large teams, reducing playing time or limiting the number of teams within the leagues.
- 3. Team Sports Refund Policy:** Refunds requested after the registration deadline will be issued only if a replacement player is registered. A \$5 administrative fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.
- 4. Games:** Games are typically played on Saturdays, but occasional weeknight games may be scheduled. Games canceled due to inclement weather are not guaranteed to be made up. 3rd/4th grade Girls – 8th grade teams play in an intervillage league with surrounding communities up to 20 minutes away.
- 5. Practices:** Practice fields are set to open on April 1 (weather pending). Practice times and locations are determined by coaches and are typically 45minutes-1.5 hours, one or two nights a week.
- 6. Jewelry:** No jewelry can be worn at any time (games or practices).
- 7. Sportsmanship/Playing Time:** Good sportsmanship is promoted in this recreational program. All players will receive equal training and game time, whether they are a beginner or seasoned player.
- 8. Questions:** For additional information, please call Andrew at 630-540-4843 or awenz@bartlettparks.org

Girls Softball Registration Deadline for all: March 4th at 12noon.

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship or carpool requests. Please do not list these on the registration form.

- 1. Player Registration:** Players are registered by their age on December 31, 2023 for the 2024 season. Submit your form and payment, along with your play up request form. You will be contacted at a later date with the determination. Head and assistant coaches are required to attend the preseason coach's meeting and the draft and evaluation. Coaches will receive a coach's equipment bag along with a coach deck that has a variety of drills that coaches can use to help them run practices. Should we receive more volunteers than are needed, while we greatly appreciate your offer, not everyone will be selected.
- 3. Game Cancellations:** Games cancelled due to inclement weather are not guaranteed to be made up, although we will make an attempt to reschedule.
- 4. Uniform:** A jersey and matching socks are included with registration. Players should wear black, gray, or white pants and cleats/tennis shoes.

Registration/Scheduling Process

Due to the progressive nature of private voice/music lessons, all continuing students are given priority in class placement. Returning students must register by January 2 to be given priority placement. Once returning students are placed in the schedule, the instructor contacts new students in the order in which they registered. New students will receive a call as soon as space becomes available in the schedule. The instructor does his best to accommodate all new students, but space is limited. **(CB)**

Beginning and Intermediate Voice Lessons

All voice students will learn how to warm up and maintain their voice. Beginning students will be taught how to match their voice against the piano, as well as how to use the high and low parts of their vocal range. Intermediate and advanced students will be taught how to breathe properly while singing, as well as how to control and strengthen their voice. If students are participating in a choir or theatre program, they are encouraged to bring their audition and concert or show music to their lessons to refine it. Students can also use their lessons to work on music they are preparing for a concert or performance. Students work on a variety of genres of music depending on what they are wanting to do with their voice. Students are often accompanied on piano in lessons by the instructor. Students are also encouraged to search for and bring in accompaniment tracks for the songs they are going to prepare for their lessons. **(CB)**

Resident Financial Aid Program

The Bartlett Park District recognizes that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason the Resident Financial Aid Program was created enabling residents to participate in recreational programs at a reduced fee. The Resident Financial Aid Program is made available, in part, through a funding partnership with the Bartlett Parks Foundation.

To apply: Complete and submit a Financial Aid Application (available at the Registration Counter or on the Bartlett Park District web site - click on Registration - Financial Aid) and supply the required documentation requested on the application. For more information, contact Amy McKinley at (630) 540-4865.

Bartlett Park District is proud to be a member of Northwest Special Recreation Association (NWSRA). Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program offerings including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs!

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at www.nwsra.org or at www.facebook.com/nwsra.

Special Accommodations: ADA Compliance

We ask individuals with special needs for inclusion into programs to notify us of their needs at least two weeks in advance. This will allow us time to make sure that proper staffing, equipment, and facilities are in place for a successful and safe program. By informing us early, you are helping us to work toward a smooth inclusion for everyone's benefit.

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the "watch me method", some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to "practice, practice, practice" and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck, space permitting, on the first and last day of class. To create the best environment for learning parents, guardians, and spectators must remain in the bleacher area for all other classes.

Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to the registration office five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. These forms are available at the registration office within BCC, or on our website. All requests will be date-stamped and processed as received.

No refunds or make-ups can be given for missed or forgotten classes.

Diving Coach Bio

Tom Walsh has been teaching springboard diving with the Bartlett Park District since 2010. He has been the springboard diving coach for South Elgin high school since 2014 for both boys and girls. Additionally, he is the high school diving coach for Lake Park, Wheaton Warrenville South and Addison Trails Willowbrook high schools diving teams. Tom's philosophy is that springboard diving is meant to be fun and he works with each diver to make them the best that they can be.

Introduction to Springboard Diving

Students will learn basic fundamentals and springboard diving techniques. Divers will learn the 5-step approach, how to ride the board up and do a head-first dive. Divers will also learn how to do a back dive with a push. In order to advance to the Intermediate level a diver must show a successful head first dive with the 5-step approach and riding the board. Additionally, the diver must show a back dive with a push without assistance. **(LC)**

Prerequisite: Independent swimming of 25 yards

Divers will also focus on forward somersaults and forward somersaults with twists. Progression to the Advanced Level will include successful forward, back and inward dives. Additionally, the forward somersault, a forward somersault with a twist and a back somersault. Each dive the diver must show they are riding the board up safely, high into the air. **(LC)**
