

Full Day Nature Camp for 10-13 years (M-F)

Connect with other campers on a week-long journey immersive outdoor experience tailored for young adventurers aged 10-13 with our Wilderness Explorers Camp! This week-long camp is designed to provide older campers with exciting challenges, outdoor skills development, and a deeper understanding of nature. Led by experienced educators and outdoor enthusiasts, campers will engage in a variety of activities that promote teamwork, critical thinking, and a strong connection with the natural world. **(DG)**

NEW! Outdoor Adventures

Come along for a one-of-a-kind experience using your outdoor adventurer skills such as Geocaching, Letterboxing, Cast-Iron Cooking, Animal Tracking, Bird watching and more.

NEW! Microworld

A unique microscopic blend of science, technology, and exploration will unravel the mysteries of the microworld. Through mini scavenger hunts, uncover hidden clues and solve mysteries.

Fossils

Embark on a prehistoric adventure into the fascinating world of fossils, where campers will unearth ancient secrets and experience the thrill of discovery. Be a paleontologist as you excavate fossil with proper tools and techniques.

NEW! WSI

Dive into an immersive experience to solve wildlife mysteries. Track footprints to analyzing feathers, they'll use scientific methods to solve mysteries surrounding wildlife incidents.

Super Mario meets Nature

Get ready for Super Mario-inspired challenges in nature. Engage in nature quests that take a journey through different "worlds" to present challenges, puzzles, and obstacles.

Survival Skills

Instill essential survival skills, foster a deep connection, and empower young campers to thrive in the great outdoors as they construct shelters using natural materials, master building fires responsibly, and develop navigation skills using compasses and maps.

Nimbus 2000+

Enter the ultimate magical realm for witches and wizards. The wonders of the wizarding world and nature will offer campers a spellbinding experience where imagination and nature intertwine.

NEW! Grossology

Prepare for a thrilling and totally icky adventure as we explore the wonderfully weird, slimy, and sometimes downright disgusting wonders of nature.

NEW! Zoologist (for a week!)

Hands-on animal kingdom discovery will catapult campers into the wonders of wildlife, habitats, and the science of zoology.

NEW! Astronomy

A fusion of space exploration and nature discovery, we will gaze at the stars, celestial wonders, and explore the cosmic mysteries surrounding our planet. Use telescopes, binoculars and astronomy apps to observe constellations and planets
