**\*No camp on July 4**

#### Fossils

Take a thrilling adventure that combines hands-on exploration, imaginative play, and fossil discoveries as young explorers uncover the mysteries of the ancient world! Explore simulated “dino digs” paleontological excitement to discover hidden fossils.

#### **NEW!** WSI

Take a forensic adventure that combines exploration, wildlife observation, and solving nature mysteries. You will enjoy detective work as you become a Wildlife Scene Investigator and solve nature mysteries, and detective challenges.

#### **NEW!** Camping Adventures

Get ready for a camping experience like no other as you venture into the great outdoors. Combine nature exploration, camping skills, and imaginative play as you set up tents, learn basic camping skills and campsite layout, and know fire safety for your next big camping trip!

#### **NEW!** Little Scientists

A captivating blend of exploration, hands-on experiments, and outdoor adventures, inspires the next generation of young scientists as we discover, experiment and learn in nature. Outdoors will be our interactive outdoor labs, you don't want to miss it.

#### Super Mario meets Nature

Get ready for a magical adventure where the world of Super Mario meets the wonders of Nature! Designed for little adventurers welcomes a blend of imaginative play, outdoor exploration, and Super Mario-themed activities that transport campers to a whimsical world of fun.

#### Animal Adventures

Journey into the wild world of creatures big and small, where young adventurers will learn, play, and connect with the fascinating animals that inhabit the natural surroundings.

#### **NEW!** Nature Detectives

This camp is a hands-on exploration of the wonders of the natural world, where little detectives will uncover the mysteries of plants, animals, and the great outdoors.

#### Space

Blast off into the wonders of the cosmos in an out-of-this-world adventure where little explorers will embark on a journey through the universe, discovering planets, stars, and the mysteries of outer space.

#### **NEW!** Bugology

Buzz along in a miniature world of bugs and discover the wonders of insects, spiders, and other tiny creatures. Creating crafts as well as bug boxes to help us catch and identify the bugs living in the natural world around us.

#### Little Artists

Artistic expression and nature discovery, where little ones can explore the wonders of the natural world through a palette of colors, shapes, and imaginative play.
