CELEBRATE WITH US THROUGHOUT THE YEAR!

On January 18th we celebrated our 60th Anniversary! We are preparing to unveil panels that narrate our journey through the years. This will be placed down the hallway by the Gymnasium.

Looking back through photos, program guides, meeting minutes, and other documents has made us smile, laugh, cry, and just realize how far we have come. Who would have thought the park district would include a ski facility, skate park, and dog park? The planning from our Board of Commissioners through the years along with suggestions from the community and support of our staff have led to amazing growth. The experiences that we have shared through those 60 years have developed into establishing who we are, our commitment to serving our community, and the ability to adapt to change.

Our mission of "Creating Fun" continues on and we look forward to celebrating with you. There are a variety of events, give-a-ways, and fun planned for 2024. Follow us on the official Bartlett Park District Facebook page for all the updated information.

THANK YOU FOR BEING PART OF OUR BARTLETT PARK DISTRICT FAMILY!

SAVE THE DATE: WEDNESDAY JULY 24TH, 6-8PM

for our Party in the Park with music, games, crafts,
and fun for the entire family.

Nature camp is a balance of science, wonder, discovery, and silliness! Pairing the intrigue of ecology with the awe and wonder of nature is our number one goal.

Look for your favorite themes from last year and we will add some new ones: **Nimbus 2000, Super Science, Fossil Hunters, Mario meets Nature, Survival, Eco Explorers, S' more Fun! , Nature Art, Habitat Hunters, Bugology & Butterflies, Wildlife, Scene Investigations, and Grossology.**

Hiking, puddle-stomping and bug-catching are a few of the key ingredients that will make Bartlett Nature Center's Summer Camps a sensation in 2024. Our campers aren't afraid to get a little dirty. Kids have fun as they connect with nature and build upon skills and knowledge, even learning STEM concepts along the way. Our qualified and enthusiastic educators guide children in hands-on exploration, investigation, discovery, games, projects, hikes and so much more.

Our summer camps allow kids to connect to nature and the outdoors with new opportunities and experiences at the Bartlett Nature Center. Creating long-lasting memories and building significant relationships with friends in the outdoors, gives kids the opportunity to foster these close connections with our environment. Many of our camps focus on science, technology, engineering, math and art (STEAM) coupled with plenty of time exploring, playing and making new friends. We create age-appropriate hands-on and experiential learning into our camp curriculum and offer opportunities for campers a chance to adopt a sense of place and importance in a state park setting.

Nature Center Before and After Camp

Before Camp is from 7:30-9am. Staff will take children to their regular camp at 9am. Before Camp is a relaxed, low key program. Kids can bring their breakfast and eat. They may read a book, play a game, or enjoy watching the nature center animals.

After Camp is from 3-6pm. Your camper will spend time playing games, coloring, reading, engaging in a movie, winding down, and relaxing from a very busy day.

Bartlett Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Swimming is intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including drowning. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming is hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool, inadequate supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slip and falls on the deck or within the locker facility, chemical exposure and all other circumstances inherent to the sport of swimming. In this regard, it must be recognized that it is impossible for Bartlett Park District to guarantee absolute safety.

Waiver and Release of all Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity.

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Bartlett Park District, including its officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.

Bartlett Park District reserves the right to photograph or videotape participants in Park District programs, facilities or parks for the District's promotional materials. If you would like to submit a photo for publication please send it to sftzsimons@bartlettsparks.org.

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck, space permitting, on the first and last day of class. To create the best environment for learning parents, guardians, and spectators must remain in the bleacher area for all other classes.

Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to the registration office five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. These forms are available at the registration office within BCC, or on our website. All requests will be date-stamped and processed as received.

No refunds or make-ups can be given for missed or forgotten classes.

Diving Coach Bio

Tom Walsh has extensive experience in both competitive and recreational diving. He has been the springboard diving coach for South Elgin High School, for both girls and boys, since 2014. He is also a voluntary diving coach for Lake Park High School, Addison Trails / Willowbrook High School and Wheaton Co-op High School. While working with the various school districts, Tom has helped lead several divers to IHSA Diving Championships including three divers this past year placing in 7th, 10th and 13th for the state of Illinois. Tom's philosophy is to take the time to work with each student to help them be the best diver they can be.

Introduction to Springboard Diving

Divers will also learn how to do a back dive with a push. In order to advance to the Intermediate level a diver must show a successful head first dive with the 5-step approach and riding the board. Additionally, the diver must show a back dive with a push without assistance. **(LC)**

Additionally, the forward somersault, a forward somersault with a twist and a back somersault. Each dive the diver must show they are riding the board up safely, high into the air. **(LC)**
