

Full Day Nature Camp for 7-9 years (M-F)

Embark on a week-long journey of exploration and discovery with our Nature Camp, tailored for young minds aged 7-9! This immersive experience combines outdoor adventures, hands-on activities, and nature-based learning to foster a sense of wonder and appreciation for the environment. Our team of experienced educators and outdoor enthusiasts will guide campers through a dynamic program that encourages curiosity, teamwork, and a love for the great outdoors. **(DG)**

***No camp on July 4**

Super Science

Get zapped into outdoor exploration. experiments, and scientific discovery as you unleash your curiosity and explore the natural world through a superhero lens. Become a full-fledged scientist in training.

Fossils

Time travel to a prehistoric world where campers will discover fossils, ancient creatures, and the mysteries buried within the earth. Experience fossil excavation and digging just like a paleontologist.

NEW! WSI

Become a wildlife detective, solving mysteries and explore the fascinating world of animal behaviors, tracks, and habitats.

Eco-Explorer Camping

Connect with the environment, learn essential outdoor skills, and experience the joy of camping in the wilderness. Identify animal tracks, set up camp and safely build a fire as you get ready for your next camping adventure.

Super Mario meets Nature

Enjoy Super Mario-inspired challenges as he meets nature. Campers will engage in Super Mario-themed nature quests that take them on a journey through different "worlds," with challenges, puzzles, and obstacles.

Nimbus 2000

Enter the magical realm for young witches and wizards. The wonders of the wizarding world and nature will offer campers a spellbinding experience where imagination and nature intertwine.

NEW! Grossology

Prepare for a thrilling and slightly icky adventure as we explore the wonderfully weird, slimy, and sometimes downright disgusting wonders of nature.

NEW! Reptiles & Amphibians

Explore reptiles and amphibians, their habitats, behaviors, and roles they play in ecosystems. Meet animals up close and in person indoors and out.

Outta Space

A fusion of space exploration and nature discovery, we will gaze at the stars, celestial wonders, and explore the cosmic mysteries surrounding our planet.

NEW! Nature Art

Discover the outdoors while creating inspired works of art like sketches, drawings, leaf rubbings, collages, painting, and clay sculpting.
