CELEBRATING 60 YEARS OF CREATING FUN

The Bartlett Park District has a rich history dating back to its inception on January 18, 1964. It was formed as an independent government agency with an elected board of commissioners to represent the residents. Over the years, the park district has maintained its commitment to serving the community and fostering fun and engaging activities for residents of all ages.

PARTY IN THE PARK

One of the upcoming Free events to celebrate this legacy is the PARTY IN THE PARK scheduled for Wednesday, July 24 from 6-8pm. This event promises an evening filled with large backyard games, inflatables, DJ, crafts, a foam party and more. Food trucks will be available for food purchase. It will take place at the Apple Orchard Community Park near the Jim Jensen Pavilion, located at 620 W. Stearns Road.

SCAVENGER HUNT

In addition to the PARTY IN THE PARK, the Bartlett Park District is hosting a Free scavenger hunt throughout the month of June. Participants will decipher riddles that lead them to some of the district's biggest attractions, adding an element of excitement and exploration to the community.

HISTORICAL WALL

The Bartlett Park District unveiled a historical wall in March, commemorating its 60-year journey. This display, located at Bartlett Community Center in the gymnasium hallway, consists of 16 three-foot by five-foot acrylic panels celebrating the district's history and its role in shaping the community. It serves as a testament to the district's longstanding commitment to the residents and sets the stage for future endeavors.

For updates on upcoming events and celebrations, we encourage you to follow the Bartlett Park District's official Facebook page. This page provides details on various activities, initiatives, and ways to get involved in the community.

Cancellation and transfer requests will be considered only when a Refund Request/Transfer Form is received by the Registration Office 5 or more business days prior to the start of camp. A \$5 administration fee per camp per day is charged for all approved refunds/transfers.

Transfer requests received with less than 5 business days' notice will be considered on a case by case basis. A \$5 transfer fee per child/per transfer will apply to those approved.

All communications regarding refunds/transfers must be through the Recreation Manager and not through the camp counselors.

All cancellation/refund/transfer requests must be submitted before the date you need to change. If you register for a specific day/week of camp you cannot request to change on or after that date. Before and After School Recreation

We are committed to providing a fun and safe recreational program for children. The program is structured to be relaxed and recreational to counterbalance the day’s educational activities. Our qualified and caring staff is sensitive to meet the needs of both our participants and their parents. Before and After School Recreation runs on all full days of school. Be sure to sign up early as the program will be jeopardy of canceling if we do not reach a minimum of 8 participants. Fees for the program are based on the cost of the whole program, not the days an individual attends. **(AW)**

Save \$25 off the advertised price by registering early. Register at least one week before school starts. For the Fall session register by August 6.

Payment Options: We offer two options for our Before and After School Recreation program – full payment at the time of registration, or Electronic Funds Transfer (EFT), from your credit card or checking account. EFT payments are processed on the 16th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend, and the date the registration is received.

There is a \$3/per month administrative fee that will be charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form and submit a voided check or credit card information. To be involved in the month’s EFT process, registrations need to be received before the 10th of the month. **(MP)**

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck, space permitting, on the first and last day of class. To create the best environment for learning parents, guardians, and spectators must remain in the bleacher area for all other classes.

Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to the registration office five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. These forms are available at the registration office within BCC, or on our website. All requests will be date-stamped and processed as received.

No refunds or make-ups can be given for missed or forgotten classes.

NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program offerings including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs!

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at www.nwsra.org or at www.facebook.com/nwsra.

Diving Coach Bio

Tom Walsh has extensive experience in both competitive and recreational diving. He has been the springboard diving coach for South Elgin High School, for both girls and boys, since 2014. He is also a voluntary diving coach for Lake Park High School, West Chicago High School and Wheaton Co-op High School. While working with the various school districts, Tom has helped lead several divers to IHSA Diving Championships including three divers this past year placing in 7th, 10th and 13th for the state of Illinois. Tom's philosophy is to take the time to work with each student to help them be the best diver they can be.

Divers will also learn how to do a back dive with a push. In order to advance to the Intermediate level a diver must show a successful head first dive with the 5-step approach and riding the board. Additionally, the diver must show a back dive with a push without assistance. **(LC)**

Divers will also focus on forward somersaults and forward somersaults with twists. Progression to the Advance Level will include successful forward, back and inward dives. Additionally, the forward somersault, a forward somersault with a twist and a back somersault. Each dive the diver must show they are riding the board up safely, high into the air. **(LC)**

Youth Junior Golf League

This is a recreational league where we stress learning and developing golf skills while playing with friends in a relaxed and fun atmosphere. Participants must have had some previous golf experience such as lessons or other golf activities, but do not need to be highly skilled. The league's goal is to help in the development of golf skills that will last them a lifetime. Each participant is assigned to a foursome and will be scheduled rotating tee times throughout the season. If participants wish to be assigned to the same group as their friends they may request to be placed in the same foursome on their registration form. Registration forms are available at the BCC registration office or on our website www.appleorchardgolf.org. The league fee includes prizes, T-shirt and entry into the Freedom Fore Youth Golf Tournament. All League participants are eligible to purchase a golf pass for Apple Orchard Golf Course at a reduced rate. This pass allows for unlimited play until October 31st. **Registration Deadline: Open until limit of 160 is enrolled or May 27 whichever comes first. (JP)**

Registration/Scheduling Process

Due to the progressive nature of private voice/music lessons, all continuing students are given priority in class placement. Returning students must register by May 20 to be given priority placement. Once returning students are placed in the schedule, the instructor contacts new students in the order in which they registered. New students will receive a call as soon as space becomes available in the schedule. The instructor does his best to accommodate all new students, but space is limited. **(CB)**

Beginning and Intermediate Voice Lessons

All voice students will be taught how to warm up and maintain their voice. Beginning students will be taught how to match their voice against the piano, as well as how to use the high and low parts of their vocal range. Intermediate and advanced students will be taught how to breathe properly while singing, as well as how to control and strengthen their voice. If students are participating in a choir or theatre program, they are encouraged to bring their audition and concert or show music to their lessons to refine it. Students can also use their lessons to prepare songs for school talent shows or other performance opportunities. Students work on a variety of genres of music depending on what they are wanting to do with their voice. Students are often accompanied on piano in lessons by the instructor. Students are also encouraged to search for and bring in accompaniment tracks for the songs they are going to prepare for their lessons.

Broadway Brought to Bartlett Music Camp

Experience the excitement and sensation of Broadway without having to travel across the country to New York. Over the years, Chicago has become a sister city to NYC in that many shows come to town right before or after their debut on Broadway. Campers will learn about the process of putting together a Broadway musical. Participants will work together in small and large groups to prepare songs and dances to perform on an actual stage. They will work throughout the week to prepare a show for their families and friends on the final day of the camp. This camp promises to be a great experience for anyone who loves to sing, dance and act, even if the only stage they have experienced is their own living room. A camp T-Shirt is guaranteed if registered by July 5. **(CB)**

Meet Me at the Donut Bar – Kids Life Coaching Lab

National Donut Day is coming this Friday, June 7th and we are celebrating early. Have you ever wondered where the idea for a donut originated? We will investigate the history of the donut while nibbling on an assortment of decadent donuts all while being social with new friends and playing donut themed games. We will also learn when we have a “hole” in our life how to strategically handle it whether it be sadness, stress, friendships, or other issue. We are calling on some of our favorite donut makers to provide gourmet donuts for this novel workshop. Kids love this light-hearted class and will leave with a few new ideas how to handle their current “holes” or future potholes they might stumble into. **This is a drop off class. (CB)**

Fall Soccer Registration

Fall Soccer Registration Deadline for all: Friday, June 7 at 6pm

Guidelines and Important Information

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship, or carpool requests. Please do not list these on the Youth Sport registration form. This form is at the Registration Desk as well as on our website under the Registration Menu.

- 1. Player Registration:** To participate, complete, and submit the Sports Registration Form by Friday, June 7, at 6pm. All registrations received by the deadline are guaranteed to play. Registrations received after the registration deadline will be placed on a waitlist and subject to the waitlist fee. Placement will only be done when an opening occurs. Only a parent or legal guardian may register a child and sign the waiver. Registration is by grade level. Register for the grade the player will be in that season. "Playing up" is not encouraged, but those requesting to do so must receive the approval of the Recreation Manager. Submit your registration form and payment with your request to "play up," and you will be contacted at a later date with a determination.
- 2. Volunteer Coaches:** Please consider volunteering as a coach. Many coaches are needed to make this a great program. We provide equipment, training, and resources. Complete the bold section on the registration form, and be sure to provide an e-mail address. Unfortunately, if not enough coach volunteers, the program is forced to have large teams, reducing playing time or limiting the number of teams within the leagues.
- 3. Team Sports Refund Policy:** Refunds requested after the registration deadline will be issued only if a replacement player is registered. A \$5 administrative fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.
- 4. Games:** Games are typically played on Saturdays, but occasional weeknight games may be scheduled. Games canceled due to inclement weather are not guaranteed to be made up. Those enrolled in 3rd/4th grade, 5th/6th grade, and 7th/8th grade play in an intervillage league with surrounding communities up to 20 minutes away.
- 5. Practices:** Practice fields are set to open on August 5 (weather pending). Practice times and locations are determined by coaches and are typically 1-1.5 hours, one or two nights a week.
- 6. Uniforms:** Uniforms **are not** explicitly ordered by size request in the fall. Uniforms will be distributed by the team coach at the first practice.
- 7. Jewelry:** No jewelry can be worn at any time (games or practices).
- 8. Sportsmanship/Playing Time:** Good sportsmanship is promoted in this recreational program. All players will receive equal training and game time, whether they are beginners or seasoned players.
- 9. Questions:** For additional information, please reach out to Andrew at: Awenz@bartlettparks.org

Team Formation:

Girls who played in the spring/summer season will be kept on their same team unless they request to be placed on a new team. We will assign new players onto teams that still need players. If not enough girls' return to the same team from the summer, we will try to keep them together and place them on a new team together. If we get more players then from the summer season, all new girls will be placed on a team together.

Uniforms will be distributed by the team coach before the first game. Any uniform questions/concerns should be directed to adunfee@bartlettparks.org

Girls Fall Softball Registration

Girls Softball Registration Deadline for residents and nonresidents: July 15th at 12noon.

Guidelines and Important Information

Those registered by the deadline are guaranteed to play. Due to the size and nature of the program, we cannot accept coach, player, friendship or carpool requests. Please do not list these on the Youth Sport registration form. This form is at the Registration Desk as well as on our website under the Registration Menu.

- 1. Player registration:** Players are registered by their age on December 31, 2023 for the 2024 season. For example: if a girl turns 13 on January 1, 2024, she will be considered 12U for the 2024 season. Players requesting to "play up" must receive the approval of the Recreation Manager. Submit your form and payment, along with your play up request form. You will be contacted at a later date with the determination. Registrations received after the registration deadline will be placed on a waitlist. Please note the following. Players placed on a waitlist are not guaranteed a placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun.
- 2. Volunteer Coaches:** Volunteer coaches are needed. Please complete the section on the registration form and be sure to provide an e-mail address if you are interested. Coaches will choose their preferred practice days and times. Coaches' kids will automatically be placed on their team. Confirmation e-mails will be sent. Head and assistant coaches are required to attend the preseason coach's meeting. Should we receive more volunteers than are needed, while we greatly appreciate your offer, not everyone will be selected.
- 3. Game cancellations:** Games cancelled due to inclement weather are not guaranteed to be made up, although we will make all efforts to reschedule.
- 4. Uniform:** A sleeved jersey, socks, and visor are included with registration. Players should wear black, gray, or white softball pants and rubber molded cleats/athletic shoes.
- 5. Team Sports Cancellation Policy:** Cancellations requested after the registration deadline will be granted only if a replacement is found and registered. A \$5 administrative cancellation fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.
- 6. Games/Practices:** The 2024 season is scheduled to run end of August to the end of October depending on inclement weather with an 8-game season. Practice times and locations are determined by coaches and are typically 1-1.5 hours, one night a week. Games are typically played on Saturdays although some weekday games may occur.
- 7. Questions:** For additional information please call Andy at (630) 540-4831 or adunfee@bartlettparks.org.

MIND/BODY

Mind/Body classes are a part of our group fitness schedule that will challenge you to connect your mental well-being with your physical movements. Explore this important connection as our talented instructors guide you with focused movement and breath. Mat Pilates, Stretch & Mobility, TAI-CHI, Yoga, and Yolates are the key components of our Mind/Body class offerings. Below you will find brief descriptions of each class that can help you make an active commitment towards your health and wellness.

MAT PILATES: A moderate intensity class that develops muscle strength and endurance of core muscles. Participants will utilize Pilate's balls, rings, and bands.

STRETCH & MOBILITY: Full body stretch and mobility exercises utilizing yoga blocks, yoga balls, straps and foam rollers, geared toward keeping your joints and muscles healthy.

YOGA: Designed to improve health, performance, and mental acuity. It blends balance, strength, and flexibility. This class is geared to all fitness levels.

YOGA FLOW: Yoga that focuses on the connection between breath, movement, and the mind. It is based on the principles of hatha yoga, vinyasa yoga and ashtanga vinyasa. This style of yoga is often referred to as 'flow' because it moves from one pose to another in a continuous, smooth way.

CHAIR YOGA: This chair-based Yoga Class will offer the benefits of a yoga class but uses a chair as a prop for support, balance, or advancing the pose as appropriate for each student. A series of options are given for each posture to allow students to find the optimal balance between support and challenge to meet them where they are at the moment. This class will incorporate an exploration of alignment, strength, balance, flexibility, breath, and relaxation. All fitness levels are welcome to this class.

RESTORATIVE YOGA: A gentle moving class designed to help you decompress your mind, relax your body, and stretch your muscles. Geared toward all fitness levels.

TAI CHI: a graceful form of exercise that involves a series of movements performed slowly and with focus. Tai chi strengthens muscles and is good for pre/post joint replacement exercise, as well as arthritic pain. No equipment needed. Wear loose fitting clothing and gym shoes.

YOLATES: A combination of Pilates and Yoga inspired movements. It will increase your flexibility, core stability, and all over muscle tone. Resist-a-ball or Pilates balls may be used.
