# A letter from the Executive Director

My name is Kevin Romejko and I am delighted to be the new Executive Director of Bartlett Park District. This is somewhat of a homecoming for me as I previously spent three years at the Park District as Superintendent of Business Services. Additionally, my family; spouse Tami and children

Davis (11), Mason (9) and Emma (9) resided in Bartlett for 11 years before moving to St. Charles in 2019. Before returning to Bartlett I spent the past four years serving as Executive Director of Rolling Meadows Park District. The Bartlett community is truly a special place and I look forward to leading the amazing team at the Park District.

I hope you all have been enjoying your summer, filled with weekends at the athletic fields and adventures at many of our 43 parks, soaking up as much time as a family before we send the kids back to school. And I hope you and your family will join the Park District on Wednesday, July 24 at Apple Orchard Community Park as we celebrate our 60th Anniversary with a Party in the Park! Please see the back cover for more information. The Park District has a long history of Creating FUN and has uniquely displayed a 60-year timeline on the walls of the Community Center. Be sure to stop by and take a walk-through time as we recall all we've accomplished together as a Bartlett community. It is amazing to see how the Park District has grown and I am both honored and excited to facilitate continued growth into the future.

As we transition into the autumn season the Park District has planned many exciting programs and events. New this year, the Nature Center will be hosting a family friendly Fall Fest including a Pumpkin Fun Run, Eco Friendly Fair, Art Display, Games, Activities and more on October 19. Another new family event this autumn is the Bike Ride for the Reptiles fundraiser at Bartlett Nature Center on September 14. For more information, please turn to pages 6-7.

The Bartlett Park Foundation will be hosting their annual Twilight Golf Outing on Friday, September 13 at Apple Orchard Golf Course. With glowing golf balls, participants play a 9-hole round while the course is illuminated by glow sticks directing you to the pin. For one night only, the situation calls for you to experience golfing in the dark to raise funds for the Foundation's scholarship program.

More fun for all ages, Bingo Nights are back this autumn on Wednesday, September 25 with a Disney theme and October 23 with a Halloween theme. Ladies Night Out on October 10 offers a chance for ladies and guests to sip, shop and socialize. Open Gym is also back with specific times for pickleball, volleyball and basketball.

While it might seem early, the Park District is already looking ahead to the holiday season. Villa Olivia will once again host Breakfast with Santa on December 14, which includes plated breakfast, crafts and photos with Santa. Also back this year is our popular Nutcracker All Jazzed Up performances and our annual Holiday Shopping Blitz on Friday, December 6.

Last but certainly not least, please be sure to checkout the Spotlight on pages 38-39 where we showcase updates, new additions, renovations, community partnerships and more great stuff about Bartlett Park District.

On behalf of the Park Board of Commissioners and team members, thank you for your support throughout the year and we look forward to Creating FUN for you and your family this autumn!

Sincerely,

**Kevin Romejko, MBA**  
Executive Director

## Youth Basketball League

Volunteer coaches introduce participants to the fundamentals of playing basketball through weekly practices and weekend games. The league emphasizes proper techniques, knowledge of the rules, team strategy, participation and FUN. **(AD)**

**Volunteer Coaches:** This league is dependent on volunteer coaches for each team. If you are interested in coaching a team you can contact Andy at [adunfee@bartlettsparks.org](mailto:adunfee@bartlettsparks.org). Volunteer coaching forms can be found at [bartlettsparks.org](http://bartlettsparks.org). We do ask that no more than two coaches per team for grades 5th - 8th grade.

**Uniforms:** Each player will be provided a reversible jersey. Team jerseys must be worn at all games and coaches may encourage players to wear the reversible jersey at practice.

**Practices:** Practices will take place at Bartlett Community Center or at a U-46 School District School. Practices will be one night a week at least two weeks prior to the first games.

**Games:** Games will be played Friday – Sunday at Bartlett Community Center or a surrounding community if the league is in an inter-village league (Past years girls basketball grades 3rd – 8th participated in an inter-village league).

### NEW! Team Formation for Grades Kindergarten – 4th

Teams are formed by Bartlett Park District staff based on the following criteria:

- School Attended
- Balance of Gender (if co-ed)
- Roster Size
- Mutual carpool/Friendship request

Our goal is to keep players from the same school on the same team. Should enrollment number and roster maximums not accommodate the schools may be combined to form teams. Team maximums are based on enrollment numbers at the time of the registration deadline.

### Evaluation Nights and Team Formation process for Grades 5th–8th

- Players enrolled in grades 5th – 8th grade will be asked to attend an evaluation night. Those nights will be posted below each registration ID#.
- Teams will be chosen by a coach’s draft, with all players being placed on a team. If a player cannot attend the evaluation night, they will be placed on a team in a blind draw at the conclusion of the draft.
- Volunteer coaches must attend the evaluation night. The draft will take place the same night as the evaluation night.

**Team Sports Cancellation Policy:** Cancellations requested after the registration deadline will be granted only if a replacement is found and registered. A \$5 administrative cancellation fee is charged per person.

**Questions:** For additional information please contact Andy Dunfee at 630-540-4831 or [adunfee@bartlettsparks.org](mailto:adunfee@bartlettsparks.org)

### Hilarious Holiday Party Communication Lab – Life Coaching for Kids

Holiday parties are sometimes stressful for children. What will I talk about at the dinner table? How do I respond to “Uncle Norm” when he asks me nonstop questions? What do I say to the person I don’t like? How do you exit the event without looking like you can’t wait to leave? How do you stay composed when the unexpected happens at the party? These are all typical concerns that kids have before of any holiday event. This workshop led by a life coach will give fast tips on how to easily initiate conversation, respond confidently to questions, show gratitude, stay composed, and have a blast. After the methods are explicitly taught, kids will be invited at their comfort level to segue into a mock holiday dinner party setting to practice their skills. Snacks and hilarious laughter are served up as we practice our new anticipatory communication party skills. This practice lab where we don’t take ourselves too seriously, but still learn a lot, is appropriate for shy to extremely extroverted attendees. This mix of kids trying their personal best makes for a perfectly festive party lab setting. **(CB)**

### Water Walkers

Water Walkers is an easy way to strengthen your body. You can walk forwards, backwards, and sideways using the natural resistance of the water which makes your muscles work harder to move forward. The water provides a natural buoyancy helping to reduce strain on your joints resulting in little to no impact. Brisk water walking is more strenuous than it initially looks and can provide an excellent aerobic walking workout, burning 300-500 calories per hour. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. Water weights and noodles are available to use. This program is not led by an instructor.

## Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

**REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.**

## Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck, space permitting, on the first and last day of class. To create the best environment for learning parents, guardians, and spectators must remain in the bleacher area for all other classes.

## Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to the registration office five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. ### Resident Financial Aid Program

The Bartlett Park District recognizes that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason the Resident Financial Aid Program was created enabling residents to participate in recreational programs at a reduced fee. The Resident Financial Aid Program is made available, in part, through a funding partnership with the Bartlett Parks Foundation.

To apply: Complete and submit a Financial Aid Application (available at the Registration Counter or on the Bartlett Park District web site - click on Registration - Financial Aid) and supply the required documentation requested on the application. For more information, contact Amy McKinley at 630-540-4865.

**IMPORTANT INFORMATION**

The Bartlett Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bartlett Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the below listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

**WARNING OF RISK**

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Bartlett Park District to guarantee absolute safety.

**WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK**

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these programs (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against the Bartlett Park District, including its officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
