A letter from the Executive Director

Thank you to the Bartlett community for helping the Park District celebrate its 60th year anniversary throughout the year! We hope you enjoyed reminiscing, playing, and making new memories as much as we did. Check out the back cover for some of the special moments we captured celebrating with you.

As we look forward to the months ahead, we are thrilled to unveil the exciting lineup of programs, events and activities coming up at Bartlett Park District. We are Creating Winter Fun for everyone!

Let it snow...let it snow...let it snow...at historic Villa Olivia! You and your family can enjoy an exciting menu of winter sports options without leaving Bartlett. Experience snow tubing, a quad chair lift and beginner to advanced ski and snowboard runs. For those new to the slopes we offer our popular Snow Kids ski and snowboard lesson program. Please see page 17 for further details. And speaking of menus, be sure to experience one of Villa Olivia's delicious Sunday or holiday brunches, full of mouthwatering breakfast and lunch tasty treats.

While a delicious Villa Olivia brunch might add on a few pounds this winter, **LIFECENTER** Health & Fitness Club located in the Community Center will help you shed them right off. Featuring a variety of cardiovascular and selectorized equipment; along with an assortment of free weights and dumbbells **LIFECENTER** is here for you for **LIFE!** And do not miss **FREE FRIDAYS** the entire month of February!

Looking for A Place to Grow for your little one, look no further than our play based early childhood preschool program. Please join us on Saturday, January 25, at our Preschool Open House where you can visit classrooms and meet our amazing team of teachers. And your child can learn to dance with the stars this winter in our expanded youth dance program with Lisa's School of Dance. Ballet, tap or hip/hop over to page 33 to learn more.

On Friday, February 7, Puzzle Palooza is back to help you shake off the winter blues. Gather your team and paddle your own canoe to the Oak Room to race against the clock as you complete a custom Bartlett Park District puzzle. Also, be sure not to miss Bartlett Aquatic Center's lowest prices of the season during the one-day flash sale on February 17.

More fun for all ages, our talented recreation and special facilities teams have assembled sports of all sorts this winter. No matter your jam, we've got you covered. Choose from tennis, basketball, baseball, football and swimming. And be sure to view our open gym schedule on page 46.

On Friday, February 28, be sure to Raise Your Glass at Bartlett Park Foundation's annual Beer, Spirit and Wine Tasting Fundraiser. Enjoy a night out at Villa Olivia while raising funds for the Foundation's scholarship program.

While it might seem early, the Park District is already looking ahead to spring. Villa Olivia will host its famous Friday Fish Fry beginning March 7. Be sure not to miss our youth theatre's production of Aladdin, Jr. March 13-16. And when school is out for spring break we've got you covered with an array of camp experiences. Be sure to visit pages 10-11 and register early before it's too late.

On behalf of the Park Board of Commissioners and team members, thank you for your support throughout the year and we look forward to Creating FUN for you and your family this winter!

Sincerely,

Kevin Romejko, MBA
Executive Director

Before and After School Recreation

We are committed to providing a fun and safe recreational program for children. The program is structured to be relaxed and recreational to counterbalance the day's educational activities. Our qualified and caring staff is sensitive to meet the needs of both our participants and their parents. Before and After School Recreation runs on all full days of school. Be sure to sign up early as the program will be jeopardy of canceling if we do not reach a minimum of 8 participants. Fees for the program are based on the cost of the whole program, not the days an individual attend. **(AW)**

Save \$25 off the advertised price by registering early. Register at least one week before school starts. Register by Dec. 30 for the Winter session to save.

Payment Options: We offer two options for our Before and After School Recreation program – full payment at the time of registration or Electronic Funds Transfer (EFT) from your credit card or checking account. EFT payments are processed on the 16th of each month. If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend and the registration date.

There is a \$3/per month administrative fee charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form, submit a voided check or credit card information and your deposit. To be involved in the month's EFT process, registrations must be received before the 10th of the month. **(MP)**

Humor really can make the world a better place. Venus & Saturn, Jan 4: sunset 4:33pm

The Moon travels past Venus on Fri. 3rd and Saturn on Sat, 4th for a fun naked eye viewing event. Plus, this is the time of the year for the Quadrantid meteor showers, so we might spot a few of those. The January constellations and bright stars are the best.

Venus Highpoint, Feb. 1: sunset 5:06pm

Venus is at its highest at sunset and will be very bright. Jupiter also stops moving retrograde on this day and starts moving in the normal direction, which is eastward across the sky each night.

Saturn Ring Views, Mar. 22: sunset 7:05pm

This week Saturn's rings will be edge on from our view from Earth. 2009 was our last edge on view since it happens about every 15 years. They almost seem to disappear.

Girls Softball Registration: Guidelines & Important Information

Girls Softball Registration Deadline for all: March 10th at 12noon.

- 1. Player Registration:** Players are registered by their age on December 31, 2024 for the 2025 season. For example: if a girl turns 13 on January 1, 2025, she will be considered 12U for the 2025 season. Players requesting to "play up" must receive the approval of the Recreation Manager. Submit your form and payment, along with your play up request form. You will be contacted at a later date with the determination. Registrations received after the registration deadline will be placed on a waitlist. Please note the following. Players placed on a waitlist are not guaranteed a placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun or the max for each team of 12 players has been reached.
- 2. 12U and 14U Evaluation and Draft:** All girls, regardless if they played last spring should attend the evaluation and will be evaluated and drafted on a team. Girls who do not show up for the draft will be randomly placed on a team, no requests will be taken. Friendship and carpool requests will not be honored. This draft was put in place to eliminate the possibility of "stacking" a team and to allow girls to gain experience from new coaches each year. ASA rules will be followed with a few age specific league modifications.
- 3. Volunteer Coaches:** Volunteer coaches are needed. Please complete the section on the registration form and be sure to provide an e-mail address if you are interested. Coaches will choose their preferred practice days and times. Confirmation e-mails will be sent. Head and assistant coaches are required to attend the preseason coach's meeting and the draft and evaluation. Coaches will receive a coach's equipment bag along with a coach deck that has a variety of drills that coaches can use to help them run practices. Should we receive more volunteers than are needed, while we greatly appreciate your offer, not everyone will be selected.
- 4. Game Cancellations:** Games cancelled due to inclement weather are not guaranteed to be made up, although we will try to reschedule.
- 5. Uniform:** A jersey, visor, and matching socks are included with registration. Players should wear black, gray, or white pants and cleats/tennis shoes. Uniforms will be distributed by the team coach before the first game. Any uniform questions/concerns should be directed to adunfee@bartlett-parks.org
- 6. Team Sports Cancellation Policy:** Cancellations requested after the registration deadline will be granted only if a replacement is found and registered. A \$5 administrative cancellation fee is charged per person. Depending on the time of the refund request, we cannot guarantee a refund of the uniform portion of the fee.
- 7. Games/Practices:** The season is scheduled to run end of April to the end of June, depending on inclement weather with a 14 game season. Practice times and locations are determined by coaches and are typically 60-90 minutes, two nights a week. Games are typically played during the week at 6pm and/or Saturdays.
- 8. Questions:** For additional information please call Andy 630-540-4831 or adunfee@bartlett-parks.org.

Spring Soccer Registration Guidelines & Important Information

Spring Soccer Registration Deadline: February 24

1. Player Registration: To participate, complete, and submit the Registration Form by February 24 at Noon. All registrations received by the deadline are guaranteed to play. "Playing up" is not encouraged, but those requesting to do so must receive the approval of the Recreation Manager. Submit your registration form and payment with your request to "play up," and you will be contacted at a later date with a determination.

2. Volunteer Coaches: Please consider volunteering as a coach. Many coaches are needed to make this a great program. Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our Swim Academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete the Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in the Splash Central lobby until class begins.

Bartlett Park District Swim Academy invites family members to sit on deck in Splash Central, space permitting, on the first and last day of class. To create the best environment for learning; parents, guardians, and spectators must remain in the bleacher area for all other classes.

Diving Coach Bio

Tom Walsh has extensive experience in both competitive and recreational diving. He has been the springboard diving coach for South Elgin High School, for both girls and boys, since 2014. He is also a voluntary diving coach for Lake Park High School, Addison Trails / Willowbrook High School and Wheaton Co-op High School. While working with the various school districts, Tom has helped lead several divers to IHSA Diving Championships including three divers this past year placing in 7th, 10th and 13th for the state of Illinois. Tom's philosophy is to take the time to work with each student to help them be the best diver they can be.

Introduction to Springboard Diving

Students will learn basic fundamentals and springboard diving techniques. Divers will learn the 5-step approach, how to ride the board up and do a head-first dive. Divers will also learn how to do a back dive with a push. In order to advance to the Intermediate level a diver must show a successful head first dive with the 5-step approach and riding the board. Additionally, the diver must show a back dive with a push without assistance. **(LC)**

Advanced Springboard Diving

Divers will continue improving their 5-step approach and their back and inward presses to generate height in the air. Divers will learn more intricate dives including the reverse dive and reverse somersault. Divers will also work on one and a half's: forward, back and inward. Divers will also work on more complex twisting dives. **(LC)**
