A letter from the Executive Director

With the change of seasons comes a new offering of programs, activities and events at Bartlett Park District. I would also like to introduce you to my good friend Navi Gator, the Park District mascot. Navi Gator will be sure to guide and navigate you and your family to fun this spring.

If you love a good challenge, be sure to giddy-up on the horse you came in on to Bartlett Nature Center during the month of April for our free Scavenger Hunt Eco Explorers Challenge. As you explore, complete eco-missions to unlock clues leading to Earth Day prizes. Speaking of Earth Day, we will be celebrating all of April with Wild Wednesdays. Please see page 8 for more details.

At **LIFECENTER** Health & Fitness Club in April, nothing can be said to be more certain than cardio, strength training and our annual Tax Day Special. Take advantage of 10% off savings on annual pro or elite memberships.

Eggs, eggs and more eggs...the Aqua Egg Hunt will be held Friday, April 18 at Splash Central Indoor Aquatic Center. Children collect prize filled plastic eggs and enjoy a splashtastic time swimming afterwards. If scrambled eggs, bacon and sausage are more your pleasure, Villa Olivia will be hosting two delicious holiday brunches; Easter Sunday Brunch and Mother's Day Brunch. Reservations can be made by calling Villa Olivia at 630-289-1000. Be sure not to miss these egg-cellent opportunities for family fun, or the yolks on you!

Did you know the Park District owns and operates a par 3, 9-hole golf course? FORE sure we do! Apple Orchard Golf Course, located off W. Stearns Road, provides a wonderful golf experience for all ages. Come out to work on your short iron game, or reserve a tee-time for your child's first round of golf. Our popular Apple Orchard Youth Junior Golf League begins June 11. Please see page 35 for more details.

As 1980's musical band Kool & The Gang once said, "Celebrate good times, come on!" No matter your reason for celebration, Bartlett Park District is ready to host your next party or event. Villa Olivia is a special occasion venue for every season. Featuring four unique indoor spaces and breathtaking views, Villa Olivia specializes in weddings, bridal showers, baby showers, birthday celebrations, quinceañeras and more. Or, host your child's next birthday celebration with us at Bartlett Community Center or Bartlett Nature Center. Both locations offer unique and affordable party packages, and the best part is, we clean up all the mess! Last but not least, it's never too early to start planning ahead for summer!

Bartlett Park District is proud to offer a wide array of exciting summer camp options for the community. Day Camp, Kindergarten Adventure Camp, Discovery Camp, Nature Center Camp, Sports Camp; we have it all! Visit page 10 of the guide to see what camp works best.

And, be sure to put Bartlett Aquatic Center on your bucket list May 25 through September 1. Featuring a zero-depth pool, lazy river, two body slides, one drop slide, one tube slide, a spray playground and the first water-based zip line in Illinois, you and your family are sure to ride the waves to a waterpark adventure like no other.

On behalf of the Park Board of Commissioners, team members and my good friend Navi Gator, thank you for your support and we look forward to Creating Fun for you and your family this spring.

Sincerely,

Kevin Romejko, MBA
Executive Director

IMPORTANT SUMMER CAMP INFORMATION

WELCOME TO SUMMER CAMP 2025

Registration Deadline

The registration deadline is 12noon on Friday before Monday camp starts or until full.

The deadline will be superseded if the maximum camp enrollment number is reached prior to the deadline. Late registrations are not guaranteed to participate in camp and will require the Manager's approval. The decision will be made by 9am the day of camp.

Emergency Forms

Emergency forms will be filled out electronically through ePACT. ePACT is a secure emergency network that will replace paper emergency forms. All information must be completed before the start of the program. You will receive the information via email before your child's start date from ePACT on behalf of Bartlett Park District.

What to Bring

In general, wear comfortable play clothes including gym or tennis shoes (dressing in layers when chilly outdoors), and bring a snack, lunch (for full day camps), water bottle, bug spray and sunscreen (spray on only). Swimsuit and towels may be needed. See required daily information listed with each camp for details.

Cancellations or Transfers

Cancellations and transfer requests will be considered only when a Refund Request/Transfer Form is received by Guest Services five (5) or more business days prior to the start of camp. A \$5 administration fee per camp per day is charged for all approved refunds/transfers.

Transfer requests received with less than five (5) business days notice will be considered on a case by case basis. A \$5 transfer fee per child/per transfer will apply to those approved. All communications regarding refunds/transfers must be through the Recreation Manager/Environmental Education Manager and not through the camp counselors.

All cancellation/refund/transfer requests must be submitted before the date you need to change. If you register for a specific day/week of camp you cannot request to change on or after that date. There will be no refunds or transfers approved for the final week or day of camp if cancellation requests are submitted outside of the normal cancellation policy.

Day Camp Payment Plan Available

You can plan out your summer and receive monthly Electronic Fund Transfers (EFT) payment plan(s) for camp registrations of \$300 or more. Sign up early as camp fees are paid one month in advance of the starting date. The EFT is processed on the 15th of each month. Monthly payment amounts vary depending upon the camp(s) selected, number of children and weeks as well as the date the registration is submitted. There is a \$3 monthly administrative fee. The EFT form is available at Bartlett Community Center or online at bartlettparks.org under the registration menu, on the program/camp page, and on the nature center/camp page. **(MP)**

Waitlist

The best way to ensure your child's participation in camp is to register early. We try our best, but cannot always accommodate late registrations or waitlist participants. Please note, if placed on a waitlist you will be notified via email if you're enrolled into the program. If we are unable to enroll your child from our waitlist, you will receive a full refund.

Late Pick Up Policy

We understand life happens and we are here to help. Please be advised that parents/guardians will be required to pay a late pick up fee of \$5 if they are 1-10 minutes late; after 10 minutes the fee will be \$12 per minute until the child is picked up. The late fee is per child. The person picking up the camper will be asked to sign a late pick up slip and an invoice will be issued. Late fees are the responsibility of the parent/guardian, no matter who picks up the child. Please consider registering for After Camp if you are unsure you can pick up on time. After Camp requires advance registration. **(AW/CB/DG)**

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our swim academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete, Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck in Splash Central, space permitting, on the first and last day of class. To create the best environment for learning; parents, guardians, and spectators must remain in the bleacher area for all other classes.

Cancellations and Class Transfers

Each student must attempt two classes before cancellation can be considered. If you wish to cancel or transfer out of our program, please fill out the appropriate form and turn it in to Guest Services five or more business days prior to the start of the session. There is a \$5 administrative cancellation fee for each participant per program. This fee is waived if you elect for a household credit. These forms are available at Guest Services within Bartlett Community Center, or on our website. All requests will be date-stamped and processed as received.

Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

Bartlett Academy of Artistic Gymnastics and its dedicated staff are committed to providing children of all ages and abilities a fun and safe gymnastics learning experience. We believe that a strong gymnastics program is the foundation to all sport movement and will allow children to excel in any sport they wish to pursue. (AW)

Tiny Tots Gymnastics

Imagine a colorful room filled with smaller-sized gymnastics equipment to challenge and delight your little one. These programs introduce your child to the beautiful world of movement. Our carefully trained staff will direct you and your child through various activities that include free exploration, rhythm activities, skill acquisition, basic gymnastics, balance, and locomotion. Children gain confidence through movement and generally are better equipped to learn and explore at an earlier age.

Tumbling Tots Gymnastics

A must for you and your little one. This unique program provides quality time to explore movement experiences together. Your child will have fun going through a multitude of activities that safely challenge their abilities. Studies have shown that movement coordination leads to an accelerated learning ability due to a measure of self-confidence. The class will expose children to learning through trial and error, ensuring they are better equipped for future learning.

Rising Star Gymnastics

We use gymnastics to nurture each child's self-esteem by creating a fun class experience that guides them through physical challenges to promote individual success. This is a great gymnastics class to get the kids use to being on their own while developing their motor skills, strength, and flexibility. They will utilize all of our gymnastics equipment, such as the balance beams, uneven bars, parallel bars, rings, trampolines, and more, while strengthening their core body and building confidence.
