CLASS DESCRIPTIONS

AQUAFIT – A low-impact cardiovascular workout for muscle toning and improved range of motion. Designed for all fitness levels, you do not have to be a swimmer to participate.

BARRE ABOVE® - A moderate intensity class fusing Pilates, yoga, and aerobics. Focus will be on improving posture, balance, muscle endurance, and flexibility.

BARRE FUSION- This fusion class incorporates Pilates, Barre, Cardio, Balance, and resistance exercise. Join this challenging and dynamic workout where you'll gain strength, muscle definition, flexibility, and overall mind-body health.

BEGINNERS YOGA - A yoga practice geared for individuals with no yoga experience. This practice will prioritize a slower pace, allowing students to focus on understanding and mastering basic poses and breathwork. The fundamentals of yoga poses, including standing, sitting, twisting, and supine poses will be introduced.

BOXING CIRCUIT – A moderate to high intensity class that brings a balance of kickboxing, plyometric, and strength.

BRICK BODIES – This class alternates intervals of toning with a wide variety of cardio segments, which may include, cycle, kick box, hi/low, etc.

CARDIO BARRE - A moderate intensity class fusing ballet, modern, belly dance & aerobic moves to burn calories, tone the body, enhance posture, circulation, coordination, and balance.

CARDIO BEAT BLAST – Cardio class that includes drills, biking for cardiovascular endurance, and body weight and weighted exercises for muscle endurance. May include optional plyometric activities.

CARDIO, CONDITIONING & CORE– A moderate to high intensity class using various equipment for muscular endurance and cardiovascular and core conditioning.

CARDIO STRENGTH - This low- to mid-impact class designed for ALL fitness levels. Get ready for a total body, strength style workout that blends cardio, muscle conditioning and a little bit of dance in between to boost your energy and metabolism. Energize the body with the use of a variety of equipment to build cardio strength with traditional and functional training methods. End your day feeling stronger and amazing!

CHAIR YOGA– This chair-based Yoga Class will offer the benefits of a yoga class but uses a chair as a prop for support, balance, or advancing the pose as appropriate for each student. A series of options are given for each posture to allow students to find the optimal balance between support and challenge to meet them where they are at the moment.

CYCLE 45 | CYCLE 30– High intensity cardiovascular training that simulates outdoor cycling. CYCLE 45 = 45 minute class, CYCLE 30= 30 minute class. Strictly **FIRST COME FIRST SERVE**. Capacity is 18 bikes.

FOREVER FIT – Low to moderate intensity strength training class using body weight and various equipment for low impact challenge.

KETTLE -N- CORE – Moderate to high intensity workout for your entire body with core muscle control. The class will also include core conditioning mat work to further strengthen the body. Dumbbells may also be used.

MAT PILATES – A moderate intensity class that develops muscle strength and endurance of core muscles. Participants will utilize Pilates balls, rings, and bands.

OMG STRENGTH - This strength class will challenge you on every level combining the best of various intervals using dumbbells, pump bars and body bars. This total body strength class will increase muscle endurance and functional movement.

PEDAL 'N' PUMP - A moderate to high intensity interval ride class that simulates outdoor cycling pedaling through hills, sprints and other challenging drills. This class also combines body weight and weighted exercises with a combination of full body strength training.

PUMPED UP STRENGTH - A full-body strength session, utilizing combination movement patterns in a targeted, rhythmic progression. The workout fuses cardio into a functional strength workout that is challenging and fun.

RESTORATIVE YOGA – A gentle moving class designed to help you decompress your mind, relax your body, and stretch your muscles. Geared toward all fitness levels.

STEP 'N' SCULPT - This class uses short, choreographed STEP intervals alternated with strength segments to improve your cardiovascular endurance and muscular strength. Various equipment pieces are used including, but not limited to, weights, tubes, bands, resist-a-balls, and body bars to challenge every muscle group.

STRETCH & MOBILITY - Full body stretch and mobility exercises utilizing yoga blocks, yoga balls, straps and foam rollers, geared toward keeping your joints and muscles healthy.

STRENGTH - N NUMBERS - A group fitness class that utilizes resistance, often in the form of weights or bodyweight, to build muscular strength, endurance, and power. This class will often incorporate various exercises and equipment, such as barbells, dumbbells, resistance bands, and even bodyweight exercises like squats and push-ups.

STRICTLY STRENGTH – A moderate intensity class using free weights, med balls, kettlebells, pump and body bars to develop muscle strength and endurance.

TAI CHI – a graceful form of exercise that involves a series of movements performed slowly and with focus. Tai chi strengthens muscles and is good for pre/post joint replacement exercise, as well as arthritic pain. No equipment needed. Wear loose fitting clothing and gym shoes.

X-TREME STRENGTH - A high intensity class using free weights, med balls, kettlebells, pump and body bars to develop muscle strength and endurance.

YOGA – Designed to improve health, performance, and mental acuity. It blends balance, strength, and flexibility. This class is geared to all fitness levels.

YOGA FLOW- Yoga that focuses on the connection between breath, movement, and the mind. It is based on the principles of hatha yoga, vinyasa yoga and ashtanga vinyasa. This style of yoga is often referred to as 'flow' because it moves from one pose to another in a continuous, smooth way.

YOLATES – A combination of Pilates and Yoga inspired movements. It will increase your flexibility, core stability, and all over muscle tone. Resist-a-ball or Pilates balls may be used.

ZUMBA | AQUA ZUMBA® – A mix of low-intensity and high-intensity moves for an interval-style, calorie-burning dance workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility training. ZUMBA takes place in the Dance Studio. AQUA ZUMBA takes place at Splash Central.
